SUPPLEMENTARY INFORMATION:

A. Purpose

Standard Form 94 is used by all Federal agencies to report accident information involving U.S. Government motor vehicles. The Standard Form 94 is an essential part of the investigation of motor vehicle accidents, especially those involving the public with a potential for claims against the United States. It is a vital piece of information in lawsuits and provides the Assistant United States Attorneys with a written statement to refresh recollection of accidents, as necessary. The Standard Form 94 is usually completed at the time of an accident involving a motor vehicle owned or leased by the Government. Individuals, other than the

vehicle operator, who witness the accident, complete the form.

Use of the Standard Form 94 is prescribed in FMR 102-34.300(b) and Federal Property Management Regulations 101-39.40(b).
