SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. SUPPLEMENTARY INFORMATION:

I. Background

The September 2005 CPS Volunteer Supplement will be conducted at the request of the Corporation for National and Community Service, and USA Freedom Corps. The Volunteer Supplement will provide information on the total number of individuals in the U.S. involved in unpaid volunteer activities, measures of the frequency or intensity with which individuals volunteer, types of organizations that facilitate volunteerism, activities in which volunteers participate, and reasons why former volunteers no longer do volunteer work.

Because the Volunteer Supplement is part of the CPS, the same detailed demographic information collected in the CPS will be available on respondents to the Supplement. Comparisons of volunteer activities will be possible across characteristics such as sex, race, age, and educational attainment of the respondent. It is intended that the Supplement will be conducted annually, if resources permit, in order to gauge changes in volunteerism.
