Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Youth Leadership Program for Bosnia and Herzegovina

Announcement Type: New Grant.

Funding Opportunity Number: ECA/PE/C/PY-05-25.

Catalog of Federal Domestic Assistance Number: 00.000.

Key Dates:

Application Deadline: March 24, 2005.

Executive Summary: The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs announces an open competition for Youth Leadership Program for Bosnia and Herzegovina. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to conduct a three- to four-week program in the United States focusing on leadership and civic education. The 18 participants will be secondary school students and teachers from Bosnia and Herzegovina.

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: The Youth Leadership Program for Bosnia and Herzegovina has been implemented annually since 1999 by a partnership of the Office of Public Affairs (OPA) in the U.S. Embassy in Sarajevo and the U.S. grantee organization. Originally funded through the Support for East European Democracy (SEED) Act, it still holds the following as its key goals: (1) To provide a civic education program that helps the participants understand civic participation and the rights and responsibilities of citizens in a democracy; (2) to develop leadership skills among secondary school students appropriate to their needs; and (3) to build personal relationships among high school students and teachers from Bosnia and Herzegovina and the United States. A successful project will be one that nurtures a cadre of students and teachers to be actively engaged in addressing issues of concern in their schools and communities upon their return home and are equipped with the knowledge, skills, and confidence to become citizen activists.

Applicants should outline their capacity for doing projects of this nature, focusing on three areas of competency: (1) Provision of leadership and civic education programming, (2) age-appropriate programming for youth, and (3) work with individuals from Bosnia-Herzegovina or other areas that have experienced conflict and/or are emerging democracies. Applicants need not have a partner in Bosnia and Herzegovina, as the Office of Public Affairs (OPA) of the U.S. Embassy in Sarajevo will recruit and select the participants and provide a pre-departure orientation. The participants will be
