Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Demonstration Grants for Indian Children program is to provide financial assistance to projects that develop, test, and demonstrate the effectiveness of services and programs to improve the educational opportunities and achievement of preschool, elementary, and secondary Indian students. To meet the purposes of the No Child Left Behind Act of 2001, this program will focus project services on (1) Increasing school readiness skills of three- and four-year-old American Indian and Alaska Native children; and (2) enabling American Indian and Alaska Native high school graduates to transition successfully to postsecondary education by increasing their competency and skills in challenging subjects, including mathematics and science.

Priorities: This competition contains two absolute priorities and two competitive preference priorities.

Absolute Priorities: For FY 2005 these priorities are absolute priorities. In accordance with 34 CFR 75.105(b)(2)(ii), these priorities are from the regulations for this program (34 CFR 263.21(c)(1) and (3)). Under 34 CFR 75.105(c)(3), we consider only applications that meet one or both of the following priorities.

These priorities are:

Absolute Priority One

School readiness projects that provide age appropriate educational programs and language skills to three- and four-year-old Indian students to prepare them for successful entry into school at the kindergarten level.

Absolute Priority Two

College preparatory programs for secondary school students designed to increase competency and skills in challenging subject matters, including mathematics and science, to enable Indian students to transition successfully to postsecondary education.

Competitive Preference Priorities: Within these absolute priorities, we give competitive preference to applicants that address the following priorities.

Competitive Preference Priority One

In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 7121 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), 20 U.S.C. 7441(d)(1)(B). Five competitive preference priority points will be awarded to an applicant that presents a plan for combining two or more of the activities described in section 7121(c) of the ESEA over a period of more than one year.

Competitive Preference Priority Two

In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 7143 of the ESEA, 20 U.S.C. 7473. Five competitive preference priority points will be awarded to an application submitted by an Indian tribe, Indian organization, or Indian institution of higher education, including a consortium of any of these entities with other eligible entities. An application from a consortium of eligible entities that meets the requirements of 34 CFR 75.127 through 75.129 and includes an Indian tribe, Indian organization, or Indian institution of higher education will be considered eligible to receive the five competitive preference points. These competitive preference points are in

addition to the five competitive preference points that may be given under Competitive Preference Priority One.

Note: A consortium agreement, signed by all parties, must be submitted with the application in order for the application to be considered a consortium application. Letters of support do *not* meet the requirement for a consortium agreement. We will reject any application from a consortium that does not meet this requirement.

Note: The term "Indian institution of higher education" means an accredited college or university within the United States that is cited in section 532 of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note), any other institution that qualifies for funding under the Tribally Controlled College or University Assistance Act of 1978 (25 U.S.C. 1801 *et seq.*), and Dine College (formerly Navajo Community College), authorized in the Navajo Community College Act (25 U.S.C. 640a *et seq.*).
