BILLING CODE 7020-02-P**DEPARTMENT OF JUSTICE****[AAG/A Order No. 001-2005]****Privacy Act of 1974; Systems of
Records****AGENCY:** Federal Bureau of
Investigation, Department of Justice.**ACTION:** Notice.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), and Office of Management and Budget (OMB) Circular No. A-130, notice is hereby given that the Department of Justice, Federal Bureau of Investigation (FBI), is modifying the following systems of records:

Bureau Mailing Lists, Justice/FBI-003 (previously published on June 22, 2001 at 66 FR 33560);

Electronic Surveillance (ELSUR) Indices, Justice/FBI-006 (previously published on June 22, 2001 at 66 FR 33560);

Security Access Control System (SACS), Justice/FBI-013 (previously published on October 3, 1993 at 58 FR 51877); and

Blanket Routine Uses (BRU) Applicable to More Than One FBI Privacy Act System of Records, Justice/FBI-BRU (previously published on June 22, 2001 at 66 FR 33558).

Opportunity for Comment: The Privacy Act (5 U.S.C. 552a(e)(4) and (11)) requires that the public be given 30 days in which to comment on any new or amended uses of information in a system of records. In addition, in accordance with Privacy Act requirements (5 U.S.C. 552a(r)), the Department of Justice has provided a report on these modifications to OMB and the Congress. OMB, which has oversight responsibilities under the Act, requires that OMB and the Congress be given 40 days in which to review major changes to Privacy Act systems. Therefore, the public, OMB, and the Congress are invited to submit written comments on this modification.

Address Comments or Requests for Further Information to: Mary E. Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, Department of Justice, 1400 National Place, Washington, DC 20530.

DATES: These proposed changes will be effective March 28, 2005, unless comments are received that result in a contrary determination.

SUPPLEMENTARY INFORMATION: The FBI is modifying the Bureau Mailing Lists, ELSUR, and SACS system of records notices and the BRU notice to clarify and update them. The Bureau Mailing Lists system notice is being modified to

clarify the categories of individuals covered by the system and the categories of records in the system.

The SACS notice is being modified to expand the system location, to clarify the categories of individuals covered by the system and the categories of records in the system, to explain the routine uses that apply to this system, and to revise the policies and practices for storing, retrieving, accessing, retaining and disposing of records in the system.

The FBI has also made minor amendments to correct typographical errors in both notices. Additionally, further explanation in the "Purpose" section has also been made to both notices.

The ELSUR system notice is being revised to expand the categories of individuals covered by the system to include the names of the judge and the prosecuting attorney in the application and the Department of Justice official who reviewed the affidavit and approved the filing of the application with the court.

The BRU notice is being revised to add five routine uses which, like the other blanket routine uses, will apply to all systems of records (with the exception of the National DNA Index System and the National Instant Criminal Background Check System). These routine uses permit disclosures to the White House and to complainants/victims, and disclosures involving hiring, clearances, or licensing, and have been published by the Department of Justice for some of its other systems.

The Bureau Mailing Lists, SACS and ELSUR systems are being republished to reflect these changes. A description of the modification to the three systems of records is attached.
