## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### Generalized System of Preferences (GSP): Notice Regarding Products in the 2004 Annual Review

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** The Office of the United States Trade Representative (USTR)

received petitions in 2004 to modify the list of products that are eligible for duty-free treatment under the GSP program and to modify the GSP status of certain GSP beneficiary developing countries because of country practices. The list of country practice petitions accepted for review will be announced in the **Federal Register** at a later date. This notice announces the product petitions that are accepted for further review in the 2004 GSP Annual Review, and sets forth the schedule for comment and public hearing on these petitions, for requesting participation in the hearing, and for submitting pre-hearing and post-hearing briefs.

### FOR FURTHER INFORMATION CONTACT:

Contact the GSP Subcommittee of the Trade Policy Staff Committee, Office of the United States Trade Representative, 1724 F Street, NW., Room F-220, Washington, DC 20508. The telephone number is (202) 395-6971.

**SUPPLEMENTARY INFORMATION:** The GSP provides for the duty-free importation of designated articles when imported from designated beneficiary developing countries. The GSP is authorized by title V of the Trade Act of 1974 (19 U.S.C. 2461, *et seq.*), as amended (the "1974 Act"), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

In a **Federal Register** notice dated November 15, 2004, USTR extended the due date for the filing of product and country practice petitions for the 2004 GSP Annual Review to December 13, 2004 (69 FR 65674). The product petitions received requested changes in the list of eligible products by adding or removing products, or by waiving the "competitive need limitations" (CNLs) for a country for an eligible article. The President's authority to grant CNL waivers is set forth in section 503(d) of the 1974 Act (19 U.S.C. 2463(d)).

The interagency GSP Subcommittee of the Trade Policy Staff Committee (TPSC) has reviewed the product petitions, and the TPSC has decided to initiate a full review of the product petitions listed in Annex II. Annex II to this notice sets forth, for each type of change requested: the case number, the Harmonized Tariff Schedule of the United States (HTS) subheading number, a brief description of the product (*see* the HTS for an authoritative description available on the U.S. International Trade Commission (USITC) Web site (<http://www.usitc.gov/taffairs>)), and the petitioner for each petition included in this review. Acceptance of a petition for

review does not indicate any opinion with respect to the disposition on the merits of the petition. Acceptance indicates only that the listed petitions have been found eligible for review by the TPSC and that such review will take place. Modifications to the list of articles eligible for duty-free treatment under the GSP resulting from the 2004 Annual Review will be announced on or about June 30, 2005, in the **Federal Register**, and any changes will take effect on the effective date announced.

### Opportunities for Public Comment and Inspection of Comments

The GSP Subcommittee of the TPSC invites comments in support of or in opposition to any petition which is included in this Annual Review (Annex II). Submissions should comply with 15 CFR part 2007, except as modified below. All submissions should identify the subject article(s) in terms of the case number and HTS subheading number as shown in Annexes II. The GSP regulations (15 CFR part 2007) provide the schedule of dates for conducting an annual review unless otherwise specified in a **Federal Register** notice. This notice specifies the revised schedule for public comment and hearings, set out in Annex I.

### Requirements for Submissions

In order to facilitate prompt processing of submissions, USTR strongly urges and prefers electronic e-mail submissions in response to this notice. Hand-delivered submissions will not be accepted. These submissions should be single copy transmissions in English with the total submission not to exceed 50 single-spaced standard letter-size pages. E-mail submissions should use the following subject line: "2004 GSP Annual Review" followed by the Case Number and HTS subheading number found in the Annex II (for example, 2004-07 5702.91.30) and, as appropriate "Written Comments", "Notice of Intent to Testify", "Pre-hearing brief", "Post-hearing brief" or "Comments on USITC Advice". (For example, an e-mail subject line might read "2004-07 5702.91.30 Written Comments".) Documents must be submitted in English in one of the following formats: WordPerfect (.WPD), MSWord (.DOC), or text (.TXT) files. Documents may not be submitted as electronic image files or contain imbedded images (for example, ".JPG", ".PDF", ".BMP", or ".GIF"). E-mail submissions containing such files will not be accepted. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel files, formatted for printing

on 8½ × 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" at the top and bottom of each page of the document. The non-confidential version must also be clearly marked at the top and bottom of each page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the party (government, company, union, association, etc.) which is making the submission.

E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including the sender's e-mail address and other identifying information. The e-mail address for these submissions is

*FR0441@USTR.GOV*. Documents not submitted in accordance with these instructions might not be considered in this review. If unable to provide submissions by e-mail, please contact the GSP Subcommittee to arrange for an alternative method of transmission.

Public versions of all documents relating to this review will be available for review Tuesday, March 15, by appointment in the USTR public reading room, 1724 F Street, NW., Washington, DC. Requests to present oral testimony in connection with the public hearings must be accompanied by a written brief or statement, in English, and also must be received by 5 p.m., March 10, 2005. In accordance with sections 503(a)(1)(A) and 503(e) of the 1974 Act and the authority delegated by the President, pursuant to section 332(g) of the Tariff Act of 1930, the U.S. Trade Representative has requested that the USITC provide its advice on the probable economic effect of the following actions on U.S. industries producing like or directly competitive articles and on consumers, as appropriate: (1) The elimination of U.S. import duties for all beneficiary developing countries, (2) the removal of a country from eligibility for duty-free treatment under the GSP for such article, and (3) whether any industry in the United States is likely to be adversely affected by a waiver of the competitive need limits specified in section 503(d)(1) of the 1974 Act for the country specified. Comments by interested persons on the USITC Report prepared as part of the product review should be submitted by 5 p.m., 10 days after the date of USITC publication of its report.
