In the September 1, 2004, **Federal Register** (69 FR 53404), GIPSA asked persons interested in providing official services in the geographic areas assigned to the official agencies named above to submit an application for designation. Applications were due by October 1, 2004.

Barton, Central Illinois, Central Iowa, North Dakota, Northern Plains, and Plainview were the sole applicants for designation to provide official services in the entire area currently assigned to them, so GIPSA did not ask for additional comments on them.

There were three applicants for the Minnesota area: Minnesota, and Sioux City Inspection and Weighing Service Company (Sioux City), both currently designated official agencies; and Kathleen Duea proposing to do business as Southern Minnesota Grain Inspection (Southern Minnesota). Minnesota applied for designation to provide official services in the entire area currently assigned to them. Sioux City applied for all or part of the following Minnesota Counties: Brown, Cottonwood, Jackson, Lincoln, Lyon, Martin, Murray, Nobles, Pipestone, Redwood, Renville, Rock, Watonwan, and Yellow Medicine. Southern Minnesota applied for all or part of the area currently assigned to Minnesota, and specified all or part of the following Minnesota Counties: Blue Earth, Cottonwood, Faribault, Jackson, Martin, Murray, Nobles, and Watonwan.

GIPSA asked for comments on the applicants for providing service in the Minnesota area in the December 1, 2004, **Federal Register** (69 FR 69884). Comments were due by January 3, 2005. GIPSA received one favorable comment supporting Sioux City from a customer in Minnesota.
