DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

Battle Creek Salmon and Steelhead Restoration Project (Restoration Project) Tehama and Shasta Counties, CA

AGENCY: Bureau of Reclamation, U.S. Department of the Interior.

ACTION: Notice of availability of draft supplemental environmental impact statement/ revised environmental impact report (Draft SEIS/REIR).

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969 (NEPA), CEQ NEPA Regulations (40 CFR 1502.9[c][1]), and Public Resources Code, sections 21000-21177 of the California Environmental Quality Act (CEQA) and the California Code of Regulations, title 14, section 15088.5 of the CEQA Guidelines, the Bureau of Reclamation the lead Federal agency, the Federal Energy Regulatory Commission (FERC), a cooperating Federal agency, and the State Water Resources Control Board (SWRCB), the

lead State agency, have made available for public review and comment a Draft SEIS/REIR for the Battle Creek Salmon and Steelhead Restoration Project (Restoration Project).

The notice of availability of the original joint Draft Environmental Impact Statement/Environmental Impact Report) (Draft EIS/EIR) and notice of public workshop and notice of public hearing was published in the **Federal Register** on Friday July 18, 2003 (68 FR 42758). Numerous comments addressing a wide range of issues were received on the Draft EIS/EIR, with some warranting circulation of supplemental/ revised information to the original joint environmental document.

The Draft SEIS/REIR will disclose a new environmental analysis and propose mitigation regarding the increased risk of fish disease infection at private aquaculture facilities through the increase of naturally-spawning Battle Creek salmon and steelhead species under the Restoration Project. In addition, the Draft SEIS/REIR will disclose the potentially significant environmental effects of spreading certain harmful fish diseases from Battle Creek via private trout aquaculture operations that transfer trout from facilities in the Project Area to other State waters. The Draft SEIS/REIR will also disclose information regarding the 8 Dam Removal alternative and its dismissal from further consideration.

DATES: Public comments on the Draft SEIS/REIR should be submitted on or before April 29, 2005, to both Ms. Mary Marshall and Mr. Jim Canaday at the addresses below.

ADDRESSES: Written comments on the Draft SEIS/REIR should be addressed to Ms. Mary Marshall, Bureau of Reclamation, 2800 Cottage Way,

Sacramento, CA 95825 (e-mail: mmarshall@mp.usbr.gov); and Mr. Jim Canaday, State Water Resources Control Board, 1001 I Street, Sacramento, CA 95814 (e-mail:

Bureau of Reclamation

Supplemental Environmental Impact Statement on the AB Lateral Hydropower Project in Montrose County, CO

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of cancellation.

SUMMARY: The Bureau of Reclamation is canceling plans to prepare a supplemental environmental impact statement (EIS) on the AB Lateral Hydropower Project. The hydropower project planned to use existing facilities of the Uncompahgre Valley Reclamation Project and would have been located in Montrose County, Colorado. The reason for canceling is that the project proponents, including the Uncompahgre Valley Water User's Association, have elected not to pursue approval of the project at this time.

FOR FURTHER INFORMATION CONTACT: Mr. Steve McCall, Chief, Environmental Staff, Bureau of Reclamation, Western Colorado Area Office, 2764 Compass Drive, Suite 106, Grand Junction, Colorado 81506, telephone, (970) 248-0638.

SUPPLEMENTARY INFORMATION:

Reclamation filed a final EIS on the project in 1990 and the supplemental EIS was planned to address changes in the project plan and changes in resource evaluations. The primary federal actions on this project would have been execution of a lease of power privilege (a type of contract) with Reclamation and the granting of a Section 404 permit under the Clean Water Act from the U.S. Army Corps of Engineers.

Dated: February 9, 2005.

Connie L. Rupp,

Assistant Regional Director—UC Region, Bureau of Reclamation.

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-486 Enforcement Proceedings]

Certain Agricultural Tractors, Lawn Tractors, Riding Lawnmowers, and Components Thereof; Notice of a Commission Determination Not To Review an Initial Determination Finding Two Respondents in Default

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (ID) of the presiding administrative law judge (ALJ) in the above-captioned investigation finding two respondents, Beiqi Foton Motor Co., Ltd. and Shandong Worldbest Shantou Co., Ltd., in default, and to have waived their respective rights to appear, to be served with documents, and to contest the allegations at issue in the investigation.

FOR FURTHER INFORMATION CONTACT: Michael K. Haldenstein, Esq., telephone 202-205-3041, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Copies of all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's

electronic docket (EDIS-ON-LINE) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on the matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: On August 2, 2004, the complainant, CNH America LLC, filed a complaint seeking enforcement proceedings of the limited exclusion order issued in Certain Agricultural Tractors, Inv. No. 337-TA-486. The complainant asserted that the recipient of the limited order, now known as Beiqi Foton Motor Co., Ltd., continues to export infringing tractors to the United States. Complainant also requested that the Commission modify the limited exclusion order by replacing it with a general exclusion order and various cease and desist orders in order to prevent alleged circumvention of the limited exclusion order.

On November 19, 2004, the Commission instituted formal enforcement proceedings to determine whether Beiqi Foton Motor Co. Ltd. and Shandong Worldbest Shantou Co., Ltd., an allegedly related company, are in violation of the Commission's limited exclusion order issued in the investigation, and what if any enforcement measures are appropriate. The Commission set a seven-month deadline for issuance of the enforcement initial determination by the ALJ and named the following entities as parties to the enforcement proceeding: (1) Complainant CNH America LLC; (2) respondent Beiqi Foton Motor Co., Ltd.; (3) respondent Shandong Worldbest Shantou Co., Ltd.; and (4) a Commission investigative attorney (IA) to be designated by OUII. 69 FR 67757 (Nov. 19, 2004). The Commission subsequently set a target date of November 21, 2005 for completion of the investigation.

The complaint was mailed to the two respondents on November 17, 2004, and they were notified in the letter accompanying the complaint that they could be found in default if they failed to respond. When they did not respond, the ALJ issued a show cause order (Order 1E) on December 29, 2004, which required the two respondents to show cause why they should not be found in default. A deadline of January 18, 2005, was set for the respondents to respond to that order. While respondents did not respond to the show cause order, complainant and the IA responded on January 18, 2005, and urged the ALJ to find the two respondents in default.

The ALJ issued the subject ID (Order 2E) on February 4, 2005. The ALJ found in the ID that the two respondents did
