Foreign-Trade Zones Board

[Docket 10-2005]

Proposed Foreign-Trade Zone— Conroe (Montgomery County), TX; Application for Subzone, WLS Drilling Products, Inc. (Mining Drill Bits); Montgomery, TX

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the City of Conroe, Texas, which has an application pending before the Board for FTZ status, requesting special-purpose subzone status for the warehousing facility (mining drill bits) of WLS Drilling Products, Inc., (WLS Drilling) in Montgomery, Texas. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on February 25, 2005.

The WLS Drilling facility is located at 18904 Freeport Drive in Montgomery, Texas. The facility (8 employees; 7,000 sq. ft. warehouse with adjacent 2,500 sq. ft. office on 5.2 acres) warehouses and distributes finished rotary rock drill bits used in the mining, construction, and oil and gas industries. WLS Drilling's imported drill bits currently enter the U.S. duty free. However, the application states that the imported products may become subject to duties in the future. WLS Drilling also indicates that, although no manufacturing authority is currently requested, there is the potential for manufacturing at the site in the future. Finally, the application states that the company will benefit from an FTZ-related exemption from local property tax.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at one of the following addresses:

1. Submissions Via Express/Package Delivery Services: Foreign-Trade-Zones Board, U.S. Department of Commerce, Franklin Court Building—Suite 4100W, 1099 14th St. NW., Washington, DC 20005; or

2. Submissions via the U.S. Postal Service: Foreign-Trade-Zones Board, U.S. Department of Commerce, FCB—Suite 4100W, 1401 Constitution Ave. NW., Washington, DC 20230.

The closing period for their receipt is May 6, 2005. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 23, 2005.

A copy of the application and accompanying exhibits will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at address Number 1 listed above and at the Houston U.S. Export Assistance Center, 15600 John F. Kennedy Blvd., Suite 530, Houston, TX 77032.

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Canned Pineapple Fruit From Thailand: Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: March 7, 2005.

FOR FURTHER INFORMATION CONTACT: Crystal Crittenden or Magd Zalok, at (202) 482-0989 or (202) 482-4162, respectively; Import Administration, AD/CVD Operations, Office 4, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On August 24, 2004, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on canned pineapple fruit from Thailand. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 69 FR 52857 (August 30, 2004). The period of review is July 1, 2003, through June 30, 2004.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. The preliminary results of this antidumping duty administrative review of canned pineapple fruit from Thailand are currently scheduled to be completed on April 2, 2005. However, the Department finds that it is not practicable to complete the preliminary results in this administrative review within this time limit because additional time is needed to fully address issues relating to the home market viability, as well as to conduct mandatory verifications of the questionnaire responses and supplemental questionnaire responses.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the preliminary results of this review until August 1, 2005, which is the next business day after 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of this administrative review continues to be 120 days after the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: February 28, 2005.

Acting Deputy Assistant Secretary for Import Administration.
