Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to carry out a coordinated program of scientifically based research, demonstration projects, innovative strategies, and similar activities designed to build and enhance the ability of elementary and secondary schools nationwide to meet the special educational needs of gifted and talented students.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority implements section 5464(c) of the Jacob K. Javits Gifted and Talented Students Education Act of 2001 (20 U.S.C. 7253 *et seq.*).

Absolute Priority: For FY 2005 and any subsequent year in which we make awards based on the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is based on the "Special Rule" in section 5464(c) of the statute, which provides that in a year in which the Javits appropriation exceeds the appropriation for FY 2001, the Secretary must use such excess funds to award grants, on a competitive basis, to State educational agencies, local educational agencies, or both, to implement activities described in section 5464(b). In accordance with section 5464(c) and because the FY 2001 Javits appropriation was \$7.5 million and the FY 2005 appropriation is \$11 million, the Secretary will utilize approximately \$3.5 million to fund new awards under the "Special Rule." Therefore, the Secretary establishes an absolute priority for this competition such that applications submitted in response to this announcement must propose to carry out one or more of the following 5464(b) activities:

(1) Conducting—

(A) Scientifically based research on methods and techniques for identifying and teaching gifted and talented students and for using gifted and talented programs and methods to serve all students; and

(B) Program evaluations, surveys, and the collection, analysis, and development of information needed to
