[FRL-7883-6]

Tennessee: Final Authorization of State Hazardous Waste Management Program Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: Tennessee has applied to EPA for Final authorization of the changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA). EPA proposes to grant final authorization to Tennessee for RCRA

Cluster XIII. In the “Rules and Regulations” section of this **Federal Register**, EPA is authorizing the changes by an immediate final rule. EPA did not make a proposal prior to the immediate final rule because we believe this action is not controversial and do not expect comments that oppose it. We have explained the reasons for this authorization in the preamble to the immediate final rule. Unless we get written comments which oppose this authorization during the comment period, the immediate final rule will become effective on the date it establishes, and we will not take further action on this proposal. If we get comments that oppose this action, we will withdraw the immediate final rule and it will not take effect. We will then respond to public comments in a later final rule based on this proposal. You may not have another opportunity for comment. If you want to comment on this action, you must do so at this time.

DATES: Send your written comments by April 13, 2005.

ADDRESSES: Submit your comments by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

Instructions: Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov>, or e-mail. The Federal [regulations.gov](http://www.regulations.gov) Web site is an “anonymous access” system, which means EPA will not know your identity or contact information unless you provide it in the body of your comments. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit.

For the reasons set forth in the preamble, the Foundation proposes to amend 45 CFR part 1801 as follows:

PART 1801—HARRY S. TRUMAN SCHOLARSHIP PROGRAM

1. The authority citation for part 1801 continues to read as follows:

Authority: Pub L. 93-642, 88 Stat. 2276 (20 U.S.C. 2001-2012).

2. Add § 1801.63 to read as follows:

§ 1801.63 Scholar Accountability

(a) A Scholar selected after January 2005 must be employed in public service for three of the seven years following completion of his or her Foundation funded graduate education.

(b) Following completion of Foundation funded graduate education, Scholars must submit a report to the Foundation by July 15 of each year. This report will include the Scholar’s current contact information as well as a brief description of his or her employment during the past twelve months. This reporting requirement ends when the Foundation determines that a Scholar has reported three years of public service employment and the Foundation notifies him or her that he or she no longer is required to submit reports. Scholars who fail for two consecutive years to submit the required report to the Foundation will be considered to have failed to complete the three year public service requirement of paragraph (a) of this section.

(c) A Scholar who fails to be employed in public service for three out of the first seven years following completion of his or her Foundation funded graduate education must repay to the Foundation an amount equal to:

- (1) All of the Scholarship stipends received,
- (2) Interest at the rate of 6% per annum from the date of receipt of each payment until repayment is made to the Foundation, and
- (3) Reasonable collection fees.

(d)(1) The repayment obligation of paragraph (c) of this section accrues on the first July 15 on which it becomes impossible for a Scholar to fulfill the three year public service requirement of paragraph (a) of this section. For example, July 15 of the sixth year following completion of Foundation funded graduate education for a Scholar who has been employed in the public service for only one of those six years.

(2) The Foundation will send to the Scholar’s last known address a notice
