Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 7, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Withdrawal of Two Commercial Availability Petitions under the United States - Caribbean Basin Trade Partnership Act (CBTPA)

March 11, 2005.

AGENCY: The Committee for the Implementation of Textile Agreements (CITA)

ACTION: The petitioner has notified CITA that it is withdrawing two petitions it submitted for determinations that certain 100 percent cotton, 4-thread twill weave, flannel fabrics and certain 100 percent cotton, double faced sateen weave, flannel fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA.

SUMMARY: On March 3, 2005, the Chairman of CITA received two petitions from Sandler, Travis & Rosenberg, P.A., on behalf of B*W*A of New York, New York, alleging that certain, 100 percent cotton, 4-thread twill weave, flannel fabrics, of yarn-dyed, ring spun and plied yarns, and certain 100 percent cotton, double faced sateen weave, flannel fabrics, of yarn-dyed, single yarns, of certain specifications, cannot be supplied by the domestic industry in commercial quantities in a timely manner. The petitions requested that men's and boys' woven cotton shirts and woven cotton shirts and blouses, respectively, of such fabrics assembled in one or more CBTPA beneficiary countries be eligible for preferential treatment under the CBTPA. On March 9, 2005, CITA published notices in the Federal Register (70 FR 11621 and 70 FR 11620) soliciting public comments on these petitions, in particular with regard to whether these fabrics can be supplied by the domestic industry in commercial quantities in a timely manner.

On March 9, 2005, CITA received a letter from Sandler, Travis & Rosenberg, P.A. withdrawing the petitions. The specifications of these fabrics are repeated below. The petitioner states that the weight of the fabrics was incorrectly stated in both petitions.
