

Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter was conducted in accordance with these Rules.

Background Information: On October 3, 2003, the Government of Canada filed a First Request for Panel Review with the United States Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Second requests were filed on behalf of the Canadian Wheat Board, the Government of Saskatchewan, and the Government of Alberta, respectively. Panel review was requested of the final affirmative Countervailing Duty determination made by the United States Department of Commerce, International Trade Administration, respecting Certain Durum Wheat and Hard Red Spring Wheat from Canada. This determination was published in the **Federal Register**, (68 FR 52747) on September 5, 2003. The NAFTA Secretariat assigned Case Number USA-CDA-2003-1904-05 to this request.

Panel Decision: The Panel affirmed in part and remanded in part. The panel determined that:

(1) The Commission's findings and determinations concerning the comprehensive financial risk coverage program are not in accordance with law and remanded this issue to the Commission for action consistent with its opinion;

(2) The Panel upheld the Commission's findings and determinations concerning the provision of government-owned and leased railcars in all respects and dismiss the appeal on this issue.

The Panel ordered the Commission to issue a determination on remand consistent with the instructions set forth in the Panel's decision within 90 days of the decision or not later than June 8, 2005.

Dated: March 14, 2005.

Caratina L. Alston,

United States Secretary, NAFTA Secretariat.

Announcement of a Meeting To Explore Feasibility of Establishing a NIST/Industry Consortium on Fire Resistive Materials for Structural Steel

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice of public meeting.

SUMMARY: The National Institute of Standards and Technology (NIST) invites interested parties to attend a pre-consortium meeting on July 14, 2005 to be held on the NIST campus. The goal of the one-day meeting is to evaluate industry interest in creating a NIST/industry consortium focused on the materials science of fire resistive materials for structural steel. The goals of such a consortium would include the development of measurement methods for the thermal and adhesion properties of fire resistive materials, tools for the characterization of their three-dimensional microstructure, and linkages between microstructure and the above-mentioned performance properties. The consortium would be supervised and administered by NIST. Consortium research and development would be conducted by NIST staff members along with at least one technical representative from each participating member company. It is estimated that membership fees for participation in the consortium would be on the order of Twenty-five Thousand (\$25,000) per year. The initial term of the consortium is intended to be three years.

DATES: The meeting will take place on July 14, 2005 at 8 a.m. to 5 p.m. Interested parties should contact NIST to confirm their interest at the address, telephone number or FAX number shown below.

ADDRESSES: The meeting will take place at the National Institute of Standards and Technology (NIST), 100 Bureau Drive, Administration Building (101), Lecture Room B, Gaithersburg, MD 20899.

FOR FURTHER INFORMATION CONTACT: Dale P. Bentz, Emmett P. O'Brien, or Christopher C.
