

In addition, \$50 million was appropriated under the Commodity Assistance Program heading of the Consolidated Appropriations Act, 2005, as administrative funds. However, 0.80% of this amount, or \$400,000, was rescinded as the result of an across the board reduction in discretionary spending, leaving \$49.6 million to be allocated to the States for administrative funds. State agencies have the option of requesting that the Department use any or all of their "fair shares" of this \$49.6 million to purchase additional commodities for them.

For FY 2005, the Department anticipates purchasing the following commodities for distribution through TEFAP: Dehydrated potatoes, corn syrup, egg mix, blackeye beans, great northern beans, kidney beans, lima beans, pinto beans, dried plums, raisins, bakery mix, lowfat bakery mix, egg noodles, white and yellow corn grits, macaroni, oats, peanut butter, rice, spaghetti, vegetable oil, rice cereal, corn flakes, corn squares, oat cereal, bran flakes, frozen ground beef, frozen chicken, frozen ham, frozen turkey roast, and the following canned items: Green beans, refried beans, vegetarian beans, carrots, cream corn, whole kernel corn, sliced potatoes, spaghetti sauce, tomatoes, tomato sauce, tomato soup, vegetarian soup, apple juice, cranapple juice, grapefruit juice, orange juice, pineapple juice, tomato juice, apricots, peaches, pineapples, applesauce, pears, plums, beef, beef stew, chicken, pork, tuna, turkey and roasted peanuts. The amounts of each item purchased will depend on the prices the Department must pay, as well as the quantity of each item requested by the States. Changes in agricultural market conditions may result in the availability of additional types of commodities or the non-availability of one or more types listed above.

I. Funding Opportunity

Drinking water systems are basic and vital to health and economic development. With dependable water facilities, rural communities can attract families and businesses that will invest in the community and improve the quality of life for all residents. Without dependable water facilities, the communities cannot sustain economic development.

The Rural Utilities Service (RUS) supports the sound development of rural communities and the growth of our economy without endangering the environment. RUS provides financial and technical assistance to help communities bring safe drinking water and sanitary, environmentally sound waste disposal facilities to rural Americans in greatest need.

The Revolving Fund (RFP) Grant Program has been established to assist communities with water or wastewater systems. Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities. Eligible entities for the revolving loan fund will be the same entities eligible to obtain a loan, loan guarantee, or grant from the Rural Utilities Service Water and Waste Disposal and Wastewater loan and grant programs. As grant recipients, the non-profit organizations will set up a revolving loan fund to provide loans to finance predevelopment costs of water or wastewater projects, or short-term small capital projects not part of the regular operation and maintenance of current water and wastewater systems. The amount of financing to an eligible entity shall not exceed \$100,000.00 and shall be repaid in a term not to exceed 10 years. The rate shall be determined in the approved grant work plan.

BILLING CODE 3410-15-P

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Docket 15-2005]

**Foreign-Trade Zone 22—Chicago, IL;
Application for Subzone, Michelin
North America (Tire Distribution),
Monee, IL**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Illinois International Port District, grantee of FTZ 22, requesting special-purpose subzone status for the tire and tire accessory warehousing/distribution facility of Michelin North America (MNA), in Monee, Illinois. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 14, 2005.

The MNA facility (1 building, 721,761 sq. ft. on 34.9 acres) is located at 25850 S. Ridgeland Avenue, within the Bailly Ridge Corporate Center, Monee, Illinois (Will County). The facility (80 employees) may be used under FTZ procedures for warehousing, inspection, labeling, packaging, scrapping, and distribution of tires and tire accessories (including tire flaps, inner tubes and gaskets). Some 50 to 80 percent of the tires at the facility are sourced abroad. About 25-30 percent of the tires at the facility are currently re-exported.

Zone procedures would exempt MNA from Customs duty payments on foreign products that are re-exported. On domestic sales, the company would be able to defer payments until merchandise is shipped from the plant. MNA would be able to avoid duty on foreign products which become scrap/waste, estimated at 1-3 percent of total inventory. FTZ designation would further allow MNA to realize significant logistical/procedural benefits. The application indicates that the savings from zone procedures will help improve the facility's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at one of the following addresses:

1. Submissions Via Express/Package Delivery Services: Foreign-Trade-Zones Board, U.S. Department of Commerce, Franklin Court Building—Suite 4100W, 1099 14th St., NW., Washington, DC 20005; or

2. Submissions Via the U.S. Postal Service: Foreign-Trade-Zones Board, U.S. Department of Commerce, FCB—Suite 4100W, 1401 Constitution Ave., NW., Washington, DC 20230.

The closing period for their receipt is May 23, 2005. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to June 6, 2005).

A copy of the application and accompanying exhibits will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at address Number 1 listed above, and at the U.S. Department of Commerce Export Assistance Center, 200 West Adams Street, Suite 2450, Chicago, IL 60606.

Dated: March 15, 2005.

Executive Secretary.
