

requesting public comment on two draft reports on xenotransplantation. One is on the state of the science of xenotransplantation and the other is on informed consent issued in clinical trials involving xenotransplantation.

Before the reports are finalized and transmitted to the Secretary, the SACX is requesting comments on the draft reports from members of the public. All public comments received will be considered in finalizing the reports. Comments should be submitted by March 31, 2005 [amended to April 10, 2005]. Received comments will be available for public inspection at the NIH Office of Biotechnology Activities, Monday through Friday between the hours of 8:30 a.m. and 5 p.m., at the contact address noted below.

Information: The Secretary's Advisory Committee on Xenotransplantation, Department of Health and Human Services, considers the scientific, medical, social, and ethical issues and the public health concerns raised by xenotransplantation and makes recommendations to the Secretary on policy and procedures. The Committee's charges include advising on the current state of knowledge regarding xenotransplantation and on the potential for transmission of infectious diseases as a consequence of xenotransplantation; and deliberating on medical, public health, ethical, legal and socioeconomic issues, including international policies and developments that are relevant to xenotransplantation.

Overview of Drafts: The state of the science report addresses the scientific challenges in xenotransplantation, the infectious disease risks associated with xenotransplantation, public health concerns associated with xenotourism, knowledge gaps and resource limitations, and alternative strategies to xenotransplantation. The report also proposes a series of recommendations regarding these issues.

The report on informed consent issues in clinical research involving xenotransplantation addresses the ethical foundations and functions of informed consent, components of informed consent, the informed consent process, informed consent forms, and special issues raised by xenotransplantation. The report proposes a series of recommendations regarding informed consent in xenotransplantation research.

A full draft reports are available electronically at <http://www4.od.nih.gov/oba/Sacx.htm>. A paper or electronic copy can also be requested by calling the NIH Office of Biotechnology Activities at (301) 496-

Agency Information Collection Activities: Extension of a Currently Approved Information Collection; Comments Request

ACTION: 30-Day Notice of Information Collection Under Review: Application for Status as Temporary Resident under Section 245A of the Immigration and Nationality Act, Form I-687.

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the **Federal Register** on March 24, 2004 at 69 FR 13865, allowed for a 60-day public comment period. The USCIS did not receive any comments on this information collection.

The purpose of this notice is to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until April 22, 2005. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and suggestions from the public and affected agencies concerning the collection of information

should address one or more of the following points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Application for Status as Temporary Resident under Section 245A of the Immigration and Nationality Act.

(3) *Agency Form Number, if Any, and the Applicable Component of the Department of Homeland Security Sponsoring the Collection:* Form I-687. U.S. Citizenship and Immigration Services.

(4) *Affected Public Who Will be Asked or Required to Respond, as Well as a Brief Abstract:* Primary: Individuals and Households. The collection of information on Form I-687 is required to verify the applicant's eligibility for temporary status, and if the applicant is deemed eligible, to grant him or her the benefit sought.

(5) *An Estimate of the Total Number of Respondents and the Amount of Time Estimated for an Average Respondent to Respond:* 100,000 responses at 1 hour and 10 minutes (1.16 hours) per response.

(6) *An Estimate of the Total Public Burden (in Hours) Associated With the Collection:* 116,000 annual burden hours.

If you have comments, suggestions, or need a copy of the information collection instrument, please contact Richard A. Sloan, Director, Regulatory Management Division, Department of Homeland Security, 111 Massachusetts Avenue, NW., Washington, DC 20529; 202-272-8377.

Dated: March 17, 2005.
