Workforce Investment Act—Grants for Workforce Investment Boards

Announcement Type: New: Notice of solicitation for grant applications.

Funding Opportunity Number: SGA/DFA PY 04-04.

Catalog of Federal Domestic Assistance (CFDA) Number: 17.257.

Key Dates: Deadline for Application Receipt: May 4, 2005.

SUMMARY: The U.S. Department of Labor (USDOL), Employment and Training Administration (ETA), announces the availability up to \$5 million for grants to eligible Workforce Investment Boards (WIBs) that have demonstrated successfully the ability to form working partnerships with grassroots faith-based and community organizations (FBCOs). Grassroots FBCOs may include faith-based and community organizations, minority-led or immigrant-led non-profit or community development organizations and/or other small non-profit organizations.

This grant will build upon successful ETA grants from program years (PY) 2001 to 2004 that focused on the use of intermediaries and WIBs to build partnerships between FBCOs and local One-Stop systems. The WIB will develop and implement an 18-month

project to encourage the formation of long-term contractual and non-contractual partnerships with FBCOs that meet an unmet community need related to hard-to-serve populations (e.g., ex-offenders, limited-English, welfare-to work, etc.).

This investment supports and complements the President's High-Growth Job Training Initiative. The foundation of this initiative is the creation of partnerships to work collaboratively in the development of solutions to the human resource challenges facing our growth industries, while developing maximum access for American workers to gain the competencies they need to obtain good jobs. These partnerships include the public workforce system, business and industry, education and training providers and economic development principals. ETA is investing in demonstration projects in twelve high growth/high demand sectors that include advanced manufacturing, automotive services, biotechnology, construction, energy, financial services, geospatial technology, healthcare, hospitality, information technology (IT) & IT business-related services, retail, and transportation. This solicitation is designed to extend the partnership invitation to FBCOs through the direct involvement of our nation's Workforce Investment Boards.

This grant also complements ETA's ongoing sectoral employment research and evaluations—i.e., identifying workforce needs and opportunities within a local or regional industry or cross-industry occupational group while retaining a focus on economic performance and competitiveness. FBCOs can discharge a significant community role in assisting Boards by bringing new entrants to the job market that can be trained and equipped to meet emerging and evolving industry needs. Each applicant Board will identify up to three businesses or industry sectors to collaborate with the Board and FBCOs within the local One-Stop system to provide jobs for qualified employees from the identified geographic areas.

DATES: The closing date for receipt of applications under this announcement is May 4, 2005. Applications must be received at the address below no later than 5 p.m. (eastern time). Application and submission information is explained in detail in section IV of this SGA.

Authorities: These grants are made under the following authorities:

- The Workforce Investment Act of 1998 (WIA or the Act) (Pub. L. 105-220, 29 U.S.C. 2801 *et seq.*)

- The WIA Final Rule, 20 CFR parts 652, 660–671 (65 FR 49294) (August 11, 2000);

- Executive Order 13198; “Rallying the Armies of Compassion”

- Training and Employment Guidance Letter 17–01 (“Incorporating and Utilizing Grassroots, Community-Based Organizations Including Faith-Based Organizations in Workforce Investment Activities and Programs”)

- Executive Order 13279; “Equal Protection of the Laws for Faith-Based and Community Organizations.”

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

1. Overview of ETA and CFBCI Initiatives

DOL CFBCI works to remove administrative and regulatory barriers that would prevent FBCOs from competing equally for federal dollars. In addition, CFBCI develops innovative programs to foster partnerships between DOL-funded programs and FBCOs. CFBCI educates organizations about local opportunities to collaborate with the workforce development system and about opportunities to participate in national grant programs. CFBCI also works with local government officials and administrators to integrate FBCOs into the strategic planning and service delivery processes of local Workforce Investment Boards.

Since 2001, CFBCI has worked with ETA to provide \$29.6 million in grants to assist states, intermediary organizations, workforce investment boards, and grassroots groups in creating partnerships between FBCOs and the One-Stop Career Center System. In addition to grants, CFBCI has undertaken technical assistance activities that are designed to help FBCOs access and partner with the \$15 billion state and local workforce development system. Begun in Memphis, Tennessee, and Milwaukee, Wisconsin, the Touching Lives and Communities Pilot Program provided in-depth technical assistance to local alliances of FBCOs, elected officials and workforce development boards to remove barriers and foster partnerships at the local level. The report on this effort, *Experiences from the Field: Fostering Workforce Development Partnerships with Faith-Based and Community Organizations*, serves as the basis for a nation-wide effort to encourage partnerships between FBCOs and Workforce Investment Boards called the Touching Lives and Communities Technical Assistance Program (TLC–TAP). Additionally, CFBCI produced *Bridging the Gap: Meeting the*

Challenges of Universal Access Through Faith-Based and Community Partnerships, which highlights strategies by 2002 state and intermediary grantees to help job seekers access services through grassroots FBCO’s. CFBCI also has created *Empowering New Partnerships: Faith-Based and Community Initiatives in the Workforce System*, which provides an overview of basic strategies for engaging grassroots organizations in the workforce system.

Through TLC–TAP, CFBCI and ETA are creating a peer-to-peer learning network, publishing tool kits and other resource materials, and hosting national conference calls on topics related to the initiative. For more resources, please visit the CFBCI Web site, <http://www.dol.gov/cfbc> as well as the TLC–TAP Web site, <http://www.dol-tlc.org>.

2. Project Objectives

The grantee(s) will implement, in partnership with USDOL, a project that will:

- Serve a targeted area(s)/census tract(s) that has a high poverty rate. The grantee may focus on a specific population within that area (e.g. offenders, youth, people with disabilities, people who are victims of violent and domestic crime, people with limited English proficiency, homeless veterans, etc.);

- Serve targeted industries and employers by helping them find employees in the targeted area(s) or increase wages and job responsibilities for employees from the targeted area(s);
- Build relationships among the One-Stop Career Center staff, WIB, businesses, and grassroots FBCOs within the targeted area and community at large in order to increase referrals and the effectiveness of referrals among organizations;

- Help targeted individuals prepare for, sustain or advance in employment by funding grassroots FBCOs in the targeted area(s) and increasing their collaboration with the One-Stop Career Center system;
- Build the performance and administrative capabilities of FBCOs to deliver programs, administer funding, collect performance data, and identify potential One-Stop Career Center contracting opportunities; and

- Measurably increase the performance of One-Stop Career Centers with the targeted population through developing sustainable relationships with FBCOs.

In order to accomplish this, WIBs must obtain commitments from up to three businesses/business associations, use statistical data to identify a specific

area(s)/census tract(s) to serve, demonstrate that area’s need, conduct outreach and create/maintain a resource directory of grassroots FBCOs in targeted area (this may involve increasing existing resource directory), and subaward 70 percent of the funding to grassroots, non-profit FBCOs.

Through this grant investment of \$5 million, the Department intends to help approximately 2,000 people obtain or advance in employment.

II. Award Information

1. Funding Availability and Period of Performance

ETA has identified \$5 million from the FY 2005 appropriation for One Stop/America’s Labor Market Information System. The grant amount for each WIB is expected to range between \$300,000 and \$500,000. The period of performance will be 18 months from the date of execution by the Department.

2. Anticipated Announcement and Award Dates

Announcement of this award is expected to occur by July 1, 2005.

III. Eligibility Information

Applications sent by e-mail, telegram, or facsimile (fax) will not be accepted. Applications that do not meet the conditions set forth in this notice will not be honored. No exceptions to the mailing and delivery requirements set forth in this notice will be granted.

Mailed applications must be addressed to the U.S. Department of Labor, Employment and Training Administration, Division of Federal Assistance, Attention: Eric Luetkenhaus, Reference SGA/DFA PY04-04, 200 Constitution Avenue, NW., Room N-4438, Washington, DC 20210.

Applicants are advised that mail delivery in the Washington area may be delayed due to mail decontamination procedures. Hand delivered proposals will be received at the above address. All overnight mail will be considered to be hand-delivered and must be received at the designated place by the specified closing date.

Applicants may apply online at <http://www.grants.gov>. Any application received after the deadline will not be accepted. For applicants submitting electronic applications via Grants.gov, it is strongly recommended that you immediately initiate and complete the "Get Started" steps to register with Grants.gov at <http://www.grants.gov/GetStarted>. These steps will probably take multiple days to complete which should be factored into your plans for electronic application submission in order to avoid facing unexpected delays that could result in the rejection of your application.

Late Applications: Any application received after the exact date and time specified for receipt at the office designated in this notice will not be considered, unless it is received before awards are made and it (a) was sent by U.S. Postal Service registered or certified mail not later than the fifth calendar day before the date specified for receipt of applications (e.g., an application required to be received by the 20th of the month must be post marked by the 15th of that month) or (b) was sent by U.S. Postal Service Express Mail or Online to addressee not later

than 5 p.m. at the place of mailing or electronic submission one working day prior to the date specified for receipt of applications. It is highly recommended that online submissions be completed one working day prior to the date specified for receipt of applications to ensure that the applicant still has the option to submit by U.S. Postal Service Express Mail in the event of any electronic submission problems. "Post marked" means a printed, stamped or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable, without further action, as having been supplied or affixed on the date of mailing by an employee of the U.S. Postal Service. Therefore, applicants should request the postal clerk to place a legible hand cancellation "bull's eye" postmark on both the receipt and the package. Failure to adhere to the above instructions will be a basis for a determination of nonresponsiveness.

4. Funding Restrictions

The WIB must award at least 70 percent of the funding through subawards to eligible grassroots FBCOs. For purposes of this announcement, eligible grassroots FBCOs must be non-profits, which:

- Have social services as a major part of their mission;
- Are headquartered in the local community to which they provide these services;
- (a) have a social services budget of \$350,000 or less, or (b) have six or fewer full-time equivalent employees.

With its remaining 30 percent of grant funds, the WIB may choose also to contract with a non-profit intermediary organization or hire staff members from the targeted community who will be able to help the WIB conduct outreach to grassroots organizations and provide technical assistance to the subawardees.

Neutral, non-religious criteria that neither favor nor disfavor religion will be employed in the selection of grant recipients and must be employed by grantees in the selection of sub-recipients.

Additionally, the government is prohibited from providing direct financial assistance for inherently religious activity*. Therefore, as a general rule, subawards may not be used for religious instruction, worship, prayer, proselytizing or other inherently religious activities and participation in such activities must be voluntary. (If, however, an organization receives financial assistance as a result of the choice of a beneficiary, such as through a voucher, the organization may

integrate religion throughout its program.)

*In this context, the term financial assistance that is provided directly by a government entity or an intermediate organization, as opposed to financial assistance that an organization receives as the result of the genuine and independent private choice of a beneficiary. In other contexts, the term 'direct' financial assistance may be used to refer to financial assistance that an organization receives directly from the Federal government (also known as "discretionary" assistance), as opposed to assistance that it receives from a State or Local government (also known as "indirect" or "block" grant assistance). The term "direct" has the former meaning throughout this SGA.

Administrative Costs. The primary use of the grant funds should be used to support the actual project. Therefore, applicants receiving grant funds under this solicitation may not use more than 10 percent of the amount of the grant for administrative costs associated with the project. Administrative costs are defined at 20 CFR 667.220.

5. Other Submission Requirements

Withdrawal of Applications.

Applications may be withdrawn by written notice or telegram (including mailgram) received at any time before an award is made. Applications may be withdrawn in person by the applicant or by an authorized representative thereof, if the representative's identity is made known and the representative signs a receipt for the proposal.

- Define how the WIB will provide technical assistance and demonstrate how it will determine its overall success in improving the posture of the subawardees in increasing their performance and administrative capabilities to remain active in local workforce development and compete for future funding opportunities.

Scoring of this criterion will be based on the following.

- The number of individuals the WIB plans to serve is appropriate and achievable within the grant period and represents an effective use of this financial investment. 2. Review and Selection Process

A technical review panel will make a careful evaluation of applications against the rating criteria. The review panel recommendations are advisory. The ETA Grant Officer will fully consider the panel recommendations and take into account geographic balance to ensure the most advantageous award of these funds to accomplish the system-building purposes outlined in this SGA. The grant officer may consider any information that comes to his or her attention. The grant officer reserves the right to award without negotiations. Should a grant be awarded without negotiations, the award will be based on the applicant's signature which constitutes a binding offer.

Note: Except as specifically provided in this Notice, USDOL–ETA’s acceptance of a proposal and an award of Federal funds to sponsor any program(s) does not provide a waiver of any grant requirements and/or procedures. For example, the OMB Circulars require that an entity’s procurement procedures must ensure that all procurement transactions are conducted, as much as practical, to provide open and free competition. If a proposal identifies a specific entity to provide services, the USDOL–ETA’s award does not provide the justification or basis to sole-source the procurement, *i.e.*, avoid competition, unless the activity is regarded as the primary work of an official partner to the application.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary Lines 1-4 Columns (a) and (b)

For applications pertaining to a *single* Federal grant program (Federal Domestic Assistance Catalog number) and *not requiring* a functional or activity breakdown, enter on Line 1 under Column (a) the Catalog program title and the Catalog number in Column (b).

For applications pertaining to a *single* program *requiring* budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the Catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the Catalog program title on each line in *Column (a)* and the respective Catalog number on each line in Column (b).

For applications pertaining to *multiple* programs where one or more programs *require* a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For new applications, leave Column (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For continuing grant program applications, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For supplemental grants and changes to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5 - Show the totals for all columns used.

Section B Budget Categories

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Line 6a-i - Show the totals of Lines 6a to 6h in each column.

Line 6j - Show the amount of indirect cost.

Line 6k - Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7 - Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount, Show under the program
