SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau plans to request clearance for the collection of data concerning the School Enrollment Supplement to be conducted in conjunction with the October 2005 CPS. The Census Bureau and the Bureau of Labor Statistics (BLS) sponsor the basic annual school enrollment questions, which have been collected annually in the CPS for 40 years.

This survey provides information on public/private elementary school, secondary school, and college enrollment, and on characteristics of private school students and their families, which is used for tracking historical trends, policy planning, and support. This survey is the only source of national data on the age distribution and family characteristics of college students and the only source of demographic data on preprimary school enrollment. As part of the federal government's efforts to collect data and provide timely information to local governments for policymaking decisions, the survey provides national trends in enrollment and progress in school.

The school enrollment information will be collected by both personal visit and telephone interviews in conjunction with the regular October CPS interviewing. All interviews are conducted using computer-assisted interviewing.

Petroleum Wax Candles from the People's Republic of China: Rescission, in Part, of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is rescinding its administrative review of one company, Shangyu City Garden Candle Factory ("Garden Candle"), under the antidumping duty order on Petroleum Wax Candles from the People's Republic of China for the period August 1, 2003, through July 31, 2004. This rescission, in part, is based on the withdrawal for a request for review by Garden Candle. The Department is not rescinding its review of Shanghai R&R Import/Export Co., Ltd ("Shanghai R&R").

EFFECTIVE DATE: March 30, 2005.

FOR FURTHER INFORMATION CONTACT: Nicole Bankhead or Alex Villanueva at (202) 482-9068 and (202) 482-3208, respectively, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department published in the **Federal Register** an antidumping duty order on petroleum wax candles from the People's Republic of China on August 28, 1986 (51 FR 30686). Pursuant to its *Notice of Opportunity to Request an Administrative Review*, 69 FR 46496 (August 3, 2004), and in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended, and section 351.213(b) of the Department's regulations, the Department received timely requests for review from two companies: Garden Candle and Shanghai R&R. No other interested party requested a review.

On September 22, 2004, the Department published its *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocation in Part*, 69 FR 56745 (September 22, 2004), initiating on both companies for which an administrative review was requested.

Rescission, in Part, of Administrative Review

Pursuant to section 351.213(d)(1) of the Department's regulations, the Department may rescind an administrative review, "if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." The Department may also extend this time limit if it decides that it is reasonable to do so. *Id.*

While Garden Candle's withdrawal of its own request for review was not timely, according to section 351.213(d)(1) of the Department's regulations, the Department may extend this time limit if it decides that it is reasonable to do so. In this case, the Department has determined that rescinding the review of Garden Candle is appropriate. Continuing this review would only require Garden Candle and the Department to expend time and resources on a review in which the party that requested the review is no longer interested. The Department has only released one supplemental questionnaire with respect to Garden Candle and has not yet conducted a verification. Therefore, the Department does not believe the administrative review has proceeded to a point at which it would be "unreasonable" to rescind the review. The Department has therefore determined that it is reasonable to extend the 90-day time limit for Garden Candle to request its withdrawal from the administrative review, and is rescinding its antidumping administrative review with respect to Garden Candle in accordance
