

Please include the project number (P-2503-086) on any comments or motions filed. Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link. The Commission strongly encourages e-filings.

k. *Description of Request:* Duke Power, licensee for the Keowee-Toxaway Hydroelectric Project, has requested Commission approval to lease 3.79 acres of project land for non-project use. Duke Power proposes to lease these lands to Waterside Crossing Owners Association, Inc., and Crescent Communities S.C, LLC, for the purpose of constructing a commercial/residential marina. The marina facilities will consist of 12 cluster docks with a total of 117 boat docking locations. The cluster docks will consist of a steel frame and treated wood deck. The docks will be constructed offsite and floated into place. No dredging is proposed. In association with the proposed marina, the licensee is also requesting Commission authority to approve an irrigation intake and boat pump-out. The marina facilities will provide access to Lake Oconee for the residents of the Waterside Crossing community, located in Oconee County, North Carolina.

l. *Location of the Application:* This filing is available for review at the Commission or may be viewed on the Commission's Web site at <http://www.ferc.gov>, using the "eLibrary" link. m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, 385.214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Responsive Documents:* Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

p. *Agency Comments:* Federal, state, and local agencies are invited to file comments on the described applications. A copy of the applications may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,
Secretary.

The Commission's Rules of Practice require all intervenors filing documents with the Commission to serve a copy of that document on each person on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

Comments may be filed electronically via the Internet in lieu of paper. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the “e-Filing” link.

k. PacifiCorp and American Rivers have entered into an agreement for the purpose of, under certain circumstances, further enhancing reservoir survival of salmonids in addition to the measures in the comprehensive settlement agreement previously filed for the licensing proceedings for these projects and the Swift No. 2 Project (P-2213-011), in December 2004. The agreement concerns the evaluation of the causes of reservoir mortality for salmonids and the funding of appropriate improvement measures to address reservoir mortality. The parties request the Commission accept the settlement agreement in its license orders without material modification.

l. A copy of the settlement agreement is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the “eLibrary” link.
