

review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed company will be that established in the final results of this review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.90 percent, the "All Others" rate made effective by the LTFV investigation (see *Notice of Antidumping Duty Order: Stainless Steel Bar From France*, 67 FR 10385 (March 7, 2002)). These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: March 30, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

CONSUMER PRODUCT SAFETY COMMISSION

[CPSC Docket No. 05-C0007]

Hamilton Beach/Proctor-Silex, Inc., Provisional Acceptance of a Settlement Agreement and Order

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: It is the policy of the Commission to publish settlements which it provisionally accepts under the Consumer Product Safety Act in the **Federal Register** in accordance with the terms of 16 CFR 1118.20(e). Published below is a provisionally-accepted Settlement Agreement with Hamilton Beach/Proctor-Silex, Inc., containing a civil penalty of \$1,200,000.00.

DATES: Any interested person may ask the Commission not to accept this agreement or otherwise comment on its contents by filing a written request with the Office of the Secretary by April 21, 2005.

ADDRESSES: Persons wishing to comment on this Settlement Agreement should send written comments to the Comment 05-C0007, Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207.

FOR FURTHER INFORMATION CONTACT: Andrea S. Paterson, Trial Attorney, Office of Compliance, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-7615.

SUPPLEMENTARY INFORMATION: The text of the Agreement and Order appears below.

Dated: March 30, 2005.

Todd A. Stevenson,
Secretary.

Settlement Agreement and Order

1. Hamilton Beach/Proctor-Silex, Inc. (hereinafter "HB/PS" or "Respondent") enters into this Settlement Agreement

and Order (hereinafter, "Settlement Agreement" or "Agreement") with the staff of the U.S. Consumer Product Safety Commission (the "Commission"), and agrees to the entry of the attached Order incorporated by reference herein. The Settlement Agreement resolves the Commission staff's allegations set forth below.

I. The Parties

2. The Commission is an independent federal regulatory commission responsible for the enforcement of the Consumer Product Safety Act ("CPSA"), 15 U.S.C. 2051-2084.

3. HB/PS is headquartered in Glen Allen, Virginia, and incorporated in Delaware.

II. Staff Allegations

4. In the last five years, HB/PS has failed to report in a timely manner concerning three separate products: countertop toasters, juice extractors, and slow cookers, in violation of section 15(b) of the CPSA, 15 U.S.C. 2064(b).

5. Each of these products was sold to and/or used by consumers in or around a permanent or temporary household or residence, a school, in recreation, or otherwise and was, therefore, a "consumer product" as defined in section 3(a)(1) of the CPSA, 15 U.S.C. 2052(a)(1). Furthermore, HB/PS was an importer and, therefore, was a "manufacturer" of these toasters, juice extractors, and slow cookers, for distribution in "commerce," as those terms are defined in sections 3(a)(4) and (12) of the CPSA, 15 U.S.C. 2052(a)(4), (12).

A. The Countertop Toasters

6. HB/PS imported and distributed model 24205 and 24208 countertop toasters (the "subject toasters" or "toasters") from April 1997 through September 1999. These toasters were manufactured for HB/PS by Durable Electrical Metal Factory, Ltd., in China. These traditional upright electric toasters had four extra-wide slots that could toast either bagels or bread. On the front of the toasters was a bread lifter for raising or lowering the food, as well as a control dial, numbered 1-6, which consumers used to adjust the degree of toasting. The model 24205 was white, and model 24208 was black and chrome. Both models had the name "Proctor-Silex" in grey letters on the front panel.

7. The subject toasters were defective because their heating elements could remain on after the food in the toaster "popped up," which should have caused the heating element to
