Assessment

The Department shall determine, and the CBP shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated importer-specific assessment rates. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of these final results of review. We will direct CBP to assess the resulting assessment rate against the entered customs values for the subject merchandise on each of the importer's entries during the POR.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Tariff Act of 1930, as amended (the Tariff Act): (1) For the companies named above, the cash deposit rates will be the rates for these firms shown above, except that, for exporters with de minimis rates (i.e., less than 0.5 percent), no deposit will be required; (2) for previously-reviewed producers and exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period for which they were reviewed; and (3) for all other producers and exporters, the rate will be 30.24 percent, the "all others" rate established in the less than fair value investigation as established in the

Antidumping Duty Order. *See Notice of Antidumping Duty Order; Honey From Argentina*, 66 FR 63672 (Dec. 10, 2001). These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review. This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections section 751(a)(1) and 777(i)(1) of the Tariff Act.

Dated: April 8, 2005.

Background:

On December 1, 2004, the Department published its notice of an opportunity to request a review in the **Federal Register**. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 69 FR 69889 (December 1, 2004). In response, on December 30, 2004, the American Honey Producers Association and the Sioux Honey Association (collectively 'petitioners') requested an administrative review of the antidumping duty order on honey from Argentina for the period December 1, 2003, through November 30, 2004. The petitioners requested that the Department conduct an administrative review of entries of subject merchandise made by 24 Argentine producers/exporters. In addition, the Department received requests for review from two Argentine exporters included in the

petitioners' request and from one additional exporter.

On January 31, 2005 the Department initiated a review on all 25 companies for which an administrative review was requested. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 4818 (January 31, 2005) and the *Corrections Notice*, 70 FR 7143 (February 10, 2005).

(TransHoney). *See* Letter from petitioners to the Department, Honey From Argentina, (March 31, 2005), on file in the Central Records Unit (CRU), room B-099 of the main Department building

Rescission in Part, of Administrative Review:

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review in whole or in part. The petitioners made a timely withdrawal of their requests for an administrative review within the 90-day deadline, in accordance with 19 CFR 351.213(d)(1) for the following companies: Centauro S.A., Comexter

Robinson S.A., Compa Inversora Platense S.A., Compania Apicola Argentina S.A., ConAgra Argentina S.A., Coope-Riel Ltda., Cooperativa DeAgua Potable y Otros, Establecimiento Don Angel S.r.L, Food Way, S.A., Francisco Facundo Rodriguez, Jay Bees, Jose Luis Garcia, Mielar S.A., Navicon S.A., Parodi Agropecuaria S.A., Times S.A., and TransHoney S.A. Because petitioners were the only party to request the administrative review of these companies, we have accepted the withdrawal requests and we are rescinding this administrative review of the antidumping duty order on honey from Argentina covering the period December 1, 2003, through November 30, 2004 for the aforementioned companies.

With respect to Nexco, because both petitioners and the respondent requested the administrative review of Nexco, and because both parties submitted withdrawal requests, we are rescinding this administrative review with respect to Nexco. With respect to El Mana S.A., because the respondent requested the administrative review of El Mana S.A., and because El Mana S.A. submitted a timely withdrawal request, we are also rescinding this administrative review with respect to El Mana S.A.

The Department will issue appropriate assessment instructions directly to the CBP within 15 days of the publication of this notice. The Department will direct CBP to assess antidumping duties for these companies at the cash deposit rate in effect on the date of entry for entries during the period December 1, 2003 to November 30, 2004.

Notification to Parties

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of time. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return or destruction of APO materials or

conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 351.213(d)(4) of the Department's regulations and sections 751(a)(2)(C) and 777(i)(1) of the Tariff Act of 1930, as amended.
