

I. Abstract

The U.S. & Foreign Commercial Service Export Assistance Centers offer their clients DOC programs, market research, and services to enable the client to begin exporting or to expand existing exporting efforts.

The Information Services Order Form is used by US&FCS trade specialists in the Export Assistance Centers to collect information about clients in order to determine which programs or services would best help clients meet their export goals. This form is required for clients to order US&FCS programs and services. Certain programs are tailored for individual clients, *e.g.*, the International Partner Search, which identifies potential overseas agents or distributors for a particular U.S. manufacturer.

II. Method of Data Collection

Trade specialists gather information from clients at the Export Assistance Centers.

III. Data

OMB Number: 0625-0143.

Form Number: ITA-4096P.

Type of Review: Regular submission.

Affected Public: Companies interested in ordering export promotion products or services.

Estimated Number of Respondents: 975.

Estimated Time Per Response: Range from 5 to 10 minutes.

Estimated Total Annual Burden Hours: 323 hours.

IV. Request for Comments

Comments are invited on whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including (a) whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and costs) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: April 15, 2005.

DEPARTMENT OF COMMERCE**National Oceanic and Atmospheric Administration****Marine Protected Areas Center New England Region Public Dialogue Meeting**

AGENCY: National Ocean Service, NOAA, Department of Commerce.

ACTION: Notice of public meeting.

SUMMARY: Notice is hereby given of a public meeting concerning the development of a national system of marine protected areas (MPAs) pursuant to Executive Order 13158 (May 26, 2000). The New England Region Public Dialogue will be held in Portland, Maine and is the second in a series of regional dialogues to be held around the United States to solicit input from the public concerning their views on a national system of MPAs. Additional meetings will be announced and scheduled pending available resources. Refer to the web page listed below for background information concerning the development of the national system of MPAs. Meeting room capacity is limited to 60 people, and as such interested participants are required to RSVP via the e-mail address (preferable), fax number, or phone number listed below, by no later than 5 p.m. e.d.t. on May 6, 2005. Attendance will be available to the first 60 people who respond.

Those who wish to attend but cannot due to space or schedule limitations can find background materials at the web page listed below and may submit

written statements to the e-mail, fax, or mailing address below. A written summary of the meeting will be posted on the Web site within one month of its occurrence.

DATES: The meeting will be held Monday, May 16, 2005 from 7 p.m. to 9:30 p.m. e.d.t.

ADDRESSES: The meeting will be held at the Gulf of Maine Research Institute, 350 Commercial Street, Portland, Maine 04101.

FOR FURTHER INFORMATION CONTACT: Jonathan Kelsey, National System Development Coordinator, National Marine Protected Areas Center, 1305 East-West Highway, Silver Spring, Maryland, 20910. (Phone: 301-713-3155 ext. 230, Fax: 301-713-3110); e-mail: mpa.comments@noaa.gov; or visit the National MPA Center Web site at http://mpa.gov/national_system/.

SUPPLEMENTARY INFORMATION: These forums are intended to solicit the public's views regarding the development of a national system of MPAs. All input received via these dialogues, e-mail, or fax will be for the public record and considered in developing a draft proposal for a national system of MPAs. At this preliminary stage in the effort to develop the national system, NOAA does not intend to respond to any comments received via these dialogues, e-mail, fax, or mail. Once a draft proposal is developed for the national system of MPAs, NOAA will publish it in the **Federal Register** for formal public comment and will subsequently provide a formal response to comments received.

Matters To Be Considered: Executive Order 13158 (May 26, 2000) calls for the development of a national system of MPAs. These forums are intended to solicit the public's views concerning the development of a national system of MPAs. Refer to the Web page listed above for background information concerning these dialogues and the development of the national system of MPAs.

Dated: April 13, 2005.
