Notice of Rescission of Antidumping Duty Administrative Review: Certain Hot-Rolled Carbon Steel Flat Products From the Netherlands

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from Nucor Corporation, International Steel Group Inc. (ISG) and United States Steel Corporation (USSC) (collectively, petitioners), the U.S. Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands for Corus Staal BV (Corus) for the period November 1, 2003, through October 31, 2004. No other interested party requested a review of Corus for this period of review. For the reasons discussed below, the Department is rescinding this administrative review.

EFFECTIVE DATE: April 27, 2005.

FOR FURTHER INFORMATION CONTACT: David Cordell at (202) 482-0408 or Robert James at (202) 482-0649, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:**Background**

On November 1, 2004, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands, (69 FR 63359). On November 30, 2004, we received requests from petitioners USSC, ISG and Nucor to conduct an administrative review of Corus' sales of certain hot-rolled carbon steel flat products to the United States during the period November 1, 2003, through October 31, 2004. On December 27, 2004, the Department initiated an administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands for the period November 1, 2003, through October 31, 2004, in order to determine whether merchandise imported into the United States was sold at less than fair value by Corus. See *Initiation of Antidumping and Countervailing Duty Administrative Review and Requests for Revocations in Part*, 69 FR 77181 (December 27, 2004).

On March 28, 2005, ISG withdrew its request for review. In response to requests from USSC and Nucor, the Department extended the 90-day deadline for parties to withdraw their requests for review. See Letter to USSC, March 28, 2005 and Memos to the File dated March 30, 2005, and March 31, 2005. On April 4, 2005, both USSC and Nucor withdrew their requests for the instant review.

Rescission of Review

Section 351.213(d)(1) of the Department's regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. As all parties that requested this review have withdrawn those requests, this review is rescinded. The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection upon the lifting of the Preliminary Injunction which was issued by the Court of International Trade on March 19, 2002.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4) of the Department's regulations.

Dated: April 21, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.
