Materials Processing Equipment Technical Advisory Committee; Notice of Open Meeting

The Materials Processing Equipment Technical Advisory Committee (MPETAC) will meet on May 17, 2005 at 9 a.m. in Room 6087B of the Herbert C. Hoover Building, 14th Street between Pennsylvania and Constitution Avenues, NW., Washington, DC. The Committee advises the Office of the Assistant Secretary for Export Administration with respect to technical questions that affect the level of export controls applicable to materials processing equipment and related technology.

Agenda

1. Opening remarks and introductions.
2. Presentation of papers and comments by the public.
3. Report on meeting of Wassenaar Arrangement Experts Group.
4. Comments on China Machine Tool and Tool Builders' Association 2005 show.
5. Comments on machine tool licensing.

The meeting will be open to the public and a limited number of seats will be available. Reservations are not accepted. To the extent that time permits, members of the public may present oral statements to the Committee. Written statements may be submitted at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the Committee suggests that presenters forward the public presentation materials two weeks prior to Yvette Springer at Yspringer@bis.doc.gov.

For more information, please contact Ms. Springer at 202-482-4814.

Dated: April 26, 2005.

Yvette Springer,

Committee Liaison Officer.

Brake Rotors from the People's Republic of China: Extension of the New Shipper Antidumping Duty Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 29, 2005.

FOR FURTHER INFORMATION CONTACT: John Conniff at (202) 482-1009, AD/CVD Enforcement, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230.

SUPPLEMENTARY INFORMATION:

Background

At the request of both Dixon Brake System (Longkou) Ltd. and Laizhou Wally Automobile Co., Ltd., the Department of Commerce ("the Department") initiated new shipper reviews of the antidumping duty order on brake rotors from the People's Republic of China for the period April 1, 2004, through September 30, 2004. See *Brake Rotors from the PRC: Initiation of Twelfth New Shipper Antidumping Duty Review*, 69 FR 70632 (December 7, 2004). The preliminary results of this review are currently due no later than May 23, 2005.

Extension of Time Limit for Preliminary Results of Review

Pursuant to 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.214(i)(1), the Department will issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and issue the final results within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated (19 CFR 351.214(i)(2)).

The Department finds that this case is extraordinarily complicated and that the preliminary results of this new shipper

review cannot be completed within the statutory time limit of 180 days. Specifically, the information that must be analyzed in order to determine whether the new shippers sales are *bona fide* is voluminous and complicated. Accordingly, the Department is extending the time limit for the completion of the preliminary results of this new shipper review until September 20, 2005, which is 300 days after the date on which the new shipper review was initiated. We intend to issue the final results no later than 90 days after the date of issuance of the preliminary results.

This notice is in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

Dated: April 25, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Certain In-Shell Roasted Pistachios from the Islamic Republic of Iran: Extension of Time Limit for Preliminary Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 29, 2005.

FOR FURTHER INFORMATION CONTACT:

Darla Brown, AD/CVD Operations, Office 3, Import Administration, U.S. Department of Commerce, Room 4014, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-2786.

SUPPLEMENTARY INFORMATION:

TIME LIMITS:

Background

On October 7, 1986, the Department of Commerce (the Department) published in the **Federal Register** the countervailing duty order on roasted in-shell pistachios from the Islamic Republic of Iran (Iran) (51 FR 35679). On October 1, 2004, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the countervailing duty order on roasted in-shell pistachios from Iran (69 FR 58889). As a result of a request properly filed by Tehran Negah Nima Trading Company, Inc. (Nima) on October 27, 2004, we are

conducting an administrative review of the countervailing duty order on roasted in-shell pistachios from Iran with respect to Nima. On November 19, 2004, we published in the **Federal Register** the initiation of this countervailing duty administrative review (69 FR 67701). The preliminary results are currently due no later than July 5, 2005.

Extension of Time Limit for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue preliminary results within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the preliminary results of review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days.

We determine that this review is extraordinarily complicated because there are a large number of programs, including new subsidy programs, to be considered and analyzed by the Department. In order to complete our analysis, we require additional and/or clarifying information. As a result, it is not practicable to complete the preliminary results of this review within the original time limits. Therefore, the Department is extending the time limits for completion of the preliminary results until no later than November 2, 2005, which is 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of review continues to be 120 days after the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: April 25, 2005.

Barbara E. Tillman,

Deputy Assistant Secretary for Import Administration.
