### Submission for OMB Review;

#### Comment Request

April 26, 2005.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), [OIRA\\_Submission@OMB.EOP.GOV](mailto:OIRA_Submission@OMB.EOP.GOV) or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OClO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such

persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

### Animal and Plant Health Inspection Service

*Title:* Application for Inspection and Certification of Animal Byproducts.

*OMB Control Number:* 0579-0008.

*Summary of Collection:* The Animal and Plant Health Inspection Service (APHIS) on behalf of the Secretary of Agriculture has been delegated the authority (7 U.S.C. 1622, 1624) to establish and implement a system for verifying that the importation and commercial distribution of certain animal byproducts have been processed according to the condition and requirements of the importing country. The laws and regulations that govern the importation and commercial distribution of certain animal byproducts in some foreign countries may require the U.S. exporter to furnish certificates that have been issued or endorsed by APHIS Veterinary Service. These certificates attest to the class and quality of these products, and also attest to the procedures used to process these products for exportation to the receiving country. APHIS will collect information using VS Form 16-24, "Application for Inspection and Certification of Animal Byproducts."

*Need and Use of the Information:* APHIS collects information from applicants requesting that APHIS monitor the processing of the product. After monitoring the processing technique, APHIS certifies that the product was processed according to the conditions and requirements of the importing country. A copy of the form then accompanies the shipment. Without this certification, the importing country would not accept the product, and the applicant would be unable to conduct business with that country.

*Description of Respondents:* Business or other for-profit.

*Number of Respondents:* 10.

*Frequency of Responses:* Reporting: On occasion.

*Total Burden Hours:* 5.

### Agricultural Marketing Service

[Docket Number FV-05-308]

### United States Standards for Grades of Pea Pods

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Notice.

**SUMMARY:** The Agricultural Marketing Service (AMS), prior to undertaking research and other work associated with official grade standards, is soliciting comments on the possible development of the United States Standards for Grades of Pea Pods. At a 2003 meeting with the Fruit and Vegetable Industry Advisory Committee, AMS was asked to identify commodities that may be better served if grade standards are developed. The standards would provide industry with a common language and uniform basis for trading, thus promoting the orderly and efficient marketing of pea pods.

**DATES:** Comments must be received by July 1, 2005.

**ADDRESSES:** Interested persons are invited to submit written comments to the Standardization Section, Fresh Products Branch, Fruit and Vegetable Programs, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Ave. SW., Room 1661 South Building, Stop 0240, Washington, DC 20250-0240; Fax (202) 720-8871, E-mail [FPB.DocketClerk@usda.gov](mailto:FPB.DocketClerk@usda.gov). Comments should make reference to the dates and page number of this issue of the **Federal Register** and will be made available for public inspection in the above office during regular business hours.

**FOR FURTHER INFORMATION CONTACT:** David L. Priester, at the above address or call (202) 720-2185; E-mail [David.Priester@usda.gov](mailto:David.Priester@usda.gov).

**SUPPLEMENTARY INFORMATION:** Section 203(c) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621-1627), as amended, directs and authorizes the Secretary of Agriculture "To develop and improve standards of quality, condition, quantity, grade, and packaging, and recommend and demonstrate such standards in order to encourage uniformity and consistency in commercial practices."
