SUPPLEMENTARY INFORMATION: This gives notice of a proposed alteration to a Department of the Treasury, Internal Revenue Service system of records entitled “Treasury/IRS 60.000—Employee Protection System Records” which is subject to the Privacy Act of 1974, 5 U.S.C. 552a. The proposed alteration will add individuals who are potentially dangerous to IRS contractors to the system of records.

The Employee Protection System Records system of records was established to enhance the security and safety of Internal Revenue Service employees who are engaged in the assessment and collection of Federal taxes. This system consists of information furnished by Internal Revenue Service employees or other parties with respect to an individual who is involved in a tax administration matter before the Internal Revenue Service.

The records in this system are maintained for a period of five years, after which the records are reviewed to determine whether there is a need to maintain the information in the system. This system currently consists primarily of records of potentially dangerous taxpayers formerly maintained under the system of records entitled “Treasury/IRS 60.001—Assault and Threat Investigation Files, Inspection, and Records” pertaining to assaults, threats, and suicide threats maintained in the Treasury/IRS 60.007—Miscellaneous Information File, Inspection.

The alteration will add records to the system that will include reports of incidents of threats of harm to, or intimidation of, government contractors by individual taxpayers, threats of suicide made by a taxpayer in response

to a contact by a government contractor, results of investigations into those incidents, determinations as to whether the taxpayer should be considered a potentially dangerous taxpayer or a taxpayer who should be approached with caution, and related correspondence.

The system notice was last published in its entirety in the **Federal Register** on November 30, 2001, at 66 FR 59839.

The report of an altered system of records, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, “Federal Agency Responsibilities for Maintaining Records About Individuals,” dated November 30, 2000.

For the above reasons, the IRS proposes to amend its system of records as set forth below:
