Other existing limitations established in the Safford District Resource Management Plan and applicable regulations remain unchanged except as modified by this notice. This notice is issued under the authority of 43 CFR 8364.1. This restriction is necessary for public health and safety, and to facilitate law enforcement efforts.

DATES: This notice is effective May 6, 2005, until rescinded or modified by the authorized officer.

ADDRESSES: You may direct inquiries or suggestions to the Tucson Field Office, 12661 East Broadway Boulevard, Tucson, Arizona 85748-7208; or the San Pedro River Riparian National Conservation Area, 1763 Paseo San Luis, Sierra Vista, Arizona 85635.

SUPPLEMENTARY INFORMATION: Current use designations and regulations allow public use at all times in the SPRNCA. Part of the SPRNCA, and other lands,

Because of these illegal activities, intensive border-related law enforcement operations occur in the area. Public use in the affected area is also vulnerable to incidental criminal activity, and can conflict with law enforcement operations and management actions necessary to protect public safety.

The affected Federal lands include approximately 2,740 acres generally located south of State Highway 92, and north of the International United States-Mexico Boundary, including all or portions of Sections 3, 4, 8, 9, 17, 18, 19, and 20, Township 24 South, Range 22 East, Gila and Salt River Base Meridian, Cochise County, Arizona.

The affected area described here will be subject to the following restriction: Unless otherwise authorized, no person shall use, remain on or occupy any land in the affected area during the period of time from 30 minutes after official sunset to 30 minutes before official sunrise. Persons who are exempt from this restriction include:

(1) Any Federal, state, or local officers engaged in official fire, emergency or law enforcement activities;

(2) BLM employees engaged in official duties;

(3) Persons specifically authorized by BLM or by law to use, remain on, or occupy lands in the area affected by this notice. This includes persons with BLM permits or leases or other written authorizations, or occupying valid mining claims under the Mining Law.

Lawful uses and activities during daylight hours are not affected by this notice. The area affected by this notice will be posted with appropriate regulatory signs. Additional information is available in the Tucson Field Office, and at the SPRNCA headquarters at the addresses shown above.
