BILLING CODE 4410-09-P

AGENCY FOR INTERNATIONAL DEVELOPMENT

22 CFR Part 203

Registration of Agencies for Voluntary Foreign Aid; Summary of Comments

AGENCY: U.S. Agency for International Development, USAID.

ACTION: Final rule.

SUMMARY: USAID is revising Part 203 in its entirety to clarify the purposes of Registration and to emphasize that organizations must be private and voluntary in nature in order to be registered.

DATES: *Effective Date:* May 13, 2005.

FOR FURTHER INFORMATION CONTACT: Mary Q. Newton, Registrar, Office of Private Voluntary Cooperation—American Schools & Hospitals Abroad; telephone: 202-712-4747; telefax: 202-216-3041 or e-mail: mnewton@usaid.gov.

SUPPLEMENTARY INFORMATION: On May 7, 2002, the Agency published in the

Federal Register a proposed revision of Part 203.

The comment period was May 8, 2003, to July 8, 2002.

The Agency received comments from eleven private voluntary organizations (PVOs) as well as comments from two cooperative development organizations (CDOs). The following summarizes the principal comments and actions taken:

1. **Annual Documentation Requirements** (see § 203.5). For PVOs submitting an Office of Management and Budget (OMB) Circular A-133 Audit, the due date for submitting annual documents was changed from six months to nine months following the organization's fiscal year end to take into account the time required for the registrant to prepare the OMB Circular A-133 audit.

2. **Submission of Documents.** A comment expressed opposition to submitting duplicate documents to various offices within USAID. The words "the same or" were deleted from 203.4(d). The sentence now reads: "Other USAID officials may request similar information at a later date for purposes of determining the PVO's eligibility for a particular grant or cooperative agreement."

3. **Registration Status—Transition Provisions.** PVOs currently registered will continue to be registered under the new rule. The new annual documentation requirements are in effect as of the date of the new rule. The previous rule and the new rule are available on the USAID Web site at <http://www.usaid.gov> Keyword: PVO Registration. New applicants will be required to submit their applications and documentation under the revised Conditions of Registration and new rules.

4. **Registration of CDOs.** Two comments were made with regard to the elimination of Registration eligibility for IRS 501(c)(4) and 501(c)(6) organizations, specifically cooperative development organizations (CDOs). The Agency's intent is not to eliminate CDOs from the U.S. PVO Registry at <http://www.usaid.gov> Keyword: Registry. Therefore, CDOs will continue to be listed in the Registry and will continue to be required to meet the annual documentation requirements in § 203.5. (see § 203.12)

5. **AID Form 1550-2.** A comment requested that PVOs not currently receiving funding from the U.S. Government for overseas programs not be required to submit the AID Form 1550-2. The suggested change was not adopted since AID Form 1550-2 provides current demographic information on each PVO as well as

financial information. The AID Form 1550-2 has a two-fold purpose: collecting data required to determine whether the organization meets USAID's Conditions of Registration and provide USAID with the information for computing the amount of USAID funding made available to PVOs. Until an applicant completes the AID Form 1550-2 in its entirety, the Agency cannot determine whether that applicant meets the Conditions of Registration.

6. Registration of Non-U.S. PVOs. One comment concerned the Registration on non-U.S. PVOs. There are two types of non-U.S. PVOs: Local and International. A "Local PVO" is a non-U.S. PVO operating in the same foreign country in which it is organized. Local PVOs are not required to register with USAID/ Washington. An "International PVO" is a non-U.S. PVO that performs development work in one or more countries other than the country in which it is domiciled. International PVOs are required to register with USAID. The Registration procedures for International PVOs have been added (see § 203.6).

An applicant must be registered with USAID as a U.S. PVO if USAID finds that the applicant has satisfied all of the following Conditions:
