By letter dated April 25, 2005, the United Steel Workers of America, Local 1028T requested administrative reconsideration regarding Alternative Trade Adjustment Assistance (ATAA) applicable to workers of the subject firm. The negative determination was signed on March 25, 2005, and amended on April 25, 2005, and will soon be published in the **Federal Register**.

The workers of AVX Corporation, subsidiary of Kyocera Corporation, including on-site leased workers of Express Personnel Services, Raleigh, North Carolina were certified eligible to apply for Trade Adjustment Assistance (TAA) on March 25, 2005.

The petitioner provided additional information regarding the skills of the workers of the subject firm and the current situation in the electronics industry in the local area.

Upon further contacts with the company official it was confirmed that the skills of the workers at the subject firm are not easily transferable in the local commuting area.

After careful review of the additional facts obtained on reconsideration, I conclude that the requirements of Section 246 of the Trade Act of 1974, as amended, have been met for workers at the subject firm.

In accordance with the provisions of the Act, I make the following certification:
