III. Registration Instructions

While there is no registration fee, individuals must register to attend. As specified in the **DATES** section of this notice, individuals who wish to attend the meeting must register by June 8, 2005. You may register by sending an e-mail to EMTALATAG@cms.hhs.gov, sending a fax to the attention of Ronda Allen at fax number (410) 786-0681 or (410) 786-0169, or calling (410) 786-

4548. All registration requests must include your name, name of the organization (if applicable), address, telephone and fax numbers, e-mail address (if available). You will receive a registration confirmation with instructions for your arrival at the Hubert H. Humphrey Building. If seating capacity has been reached, you will be notified that the meeting has reached capacity. All registrants are asked to arrive at the Humphrey Building no later than 20 minutes before the scheduled starting time of each meeting session they wish to attend.

IV. Security Information

Since this meeting will be held in a Federal government building, Federal security measures are applicable. As noted above, in planning your arrival time, we recommend allowing additional time to clear security. In order to gain access to the building, participants must bring a government-issued photo identification (for instance, a driver's license or passport) and a copy of your confirmation of registration for the meeting. Access may be denied to persons without proper identification.

All persons entering the building must pass through a metal detector. In addition, all items brought to the building, whether personal, or for the purpose of demonstration, or to support a presentation are subject to inspection. We cannot assume responsibility for coordinating the receipt, transfer, transport, storage, set-up, safety, or timely arrival of any personal belongings or items used for demonstration or to support a presentation.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families Office of Community Services; Grant to the Rural Community Assistance Program

AGENCY: Office of Community Services, Administration for Children and Families (ACF), Department of Health and Human Services (HHS).

ACTION: Award announcement.

CFDA #: The Catalog of Federal Domestic Assistance (CFDA) number for this program is 93.570. The title is Rural

Community Development Activities Program (RF Program).

Amount of Award: \$500,000.

SUMMARY: Notice is hereby given that a noncompetitive grant award is being made to the Rural Community Assistance Program, Inc. to provide training and technical assistance to small communities struggling to deal with the safety and security of small and very small community water and wastewater treatment systems. This award addresses Congressional concern that many small and very small community water and wastewater treatment systems might be most vulnerable to terrorist attack, yet the least prepared to deal with the issues.

The application is not within the scope of any existing or expected to be issued program announcement for the Fiscal Year 2005—Rural Community Development Activities Program (RF) as authorized under the Community Services Block Grant Act of 1998, as amended; Sections 680(a)(3)(B) of the Community Opportunities Accountability, and Training and Educational Services (COATES) Act (Pub. L. 105–285). This application is expected to provide valuable on-site training and technical assistance to small and very small communities struggling to deal with the safety and security of small community water and wastewater treatment systems. This announcement is inviting application for a 12-month budget period and a 12 month project period.

The funds are not being competed due to the Senate appropriation language in FY 2005 that directs the Office of Community Services to support a Rural Community Assistance Program Small Community Infrastructure Safety and Training and Technical project. Congress intends the funds to go to an organization that is capable of conducting a project that is national in scope that provides State, regional and national infrastructure safety training workshops and on-site technical assistance targeted to small and very small community water and wastewater treatment systems.
