This notice also lists the following information.

Title of Proposal: Lender Insurance Certification.

OMB Control Number, if applicable: New collection.

Description of the need for the information and proposed use: HUD's Lender Insurance (LI) program allows eligible Direct Endorsement mortgagees to submit loan-level data to HUD and receive the benefit of immediate mortgage insurance endorsement without the necessity of HUD reviewing the individual case binder prior to insuring the loan. While existing statute and regulations describe lender eligibility, FHA believes it prudent to require participating lenders to self-certify electronically that each is eligible under the LI program, and that they will abide by all regulations, handbooks, mortgagees letters, and other appropriate notifications regarding the LI program.

Agency form numbers, if applicable: Yes.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 24. The number of respondents is 300, the frequency of response is quarterly, and the burden hour per response is 1 minute.

Status of the proposed information collection: This is a new collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: May 12, 2005.
