

Final Results of Changed Circumstances Review

Given that we received no comments from interested parties on the *Preliminary Results*, and for the reasons stated in the *Preliminary Results*, we find Jindal Poly Films to be the successor-in-interest to Jindal Polyester for antidumping duty cash deposit purposes. We will instruct U.S. Customs and Border Protection to suspend shipments of subject merchandise made by Jindal Poly Films, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this changed circumstances review at Jindal Polyester's antidumping duty cash deposit rate. See *Granular Polytetrafluoroethylene Resin from Italy; Final Results of Antidumping Duty Changed Circumstances Review*, 68 FR 25327 (May 12, 2003). This deposit rate shall remain in effect until publication of the final results of the next antidumping duty administrative review in which Jindal Poly Films participates.

We are issuing and publishing this determination and notice in accordance with sections 751(b)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and section 351.216(e) of the Department's regulations.
