

which revises Class E airspace at Boonville, MO.

DATES: *Effective Date:* 0901 UTC, July 7, 2005.

FOR FURTHER INFORMATION CONTACT:

Brenda Mumper, Air Traffic Division, Airspace Branch, ACE-520A, DOT Regional Headquarters Building, Federal Aviation Administration, 901 Locust, Kansas City, MO 64106; telephone: (816) 329-2524.

SUPPLEMENTARY INFORMATION: The FAA published this direct final rule with a request for comments in the **Federal Register** on March 31, 2005 (70 FR 16408). The FAA uses the direct final rulemaking procedure for a non-controversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised the public that no adverse comments were anticipated, and then unless a written adverse comment, or a written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on July 7, 2005. No adverse comments were received, and thus this notice confirms that this direct final rule will become effective on that date.

Issued in Kansas City, MO, on May 12, 2005.

Elizabeth S. Wallis,

Acting Area Director, Western Flight Services Operations.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2005-20065; Airspace Docket No. 05-ACE-7]

Modification of Class E Airspace Monett, MO; Correction

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; confirmation of effective date; correction.

SUMMARY: This action withdraws the Direct final rule, confirmation of effective date of a rule that was published in the **Federal Register** on Thursday, May 5, 2005 (70 FR 23790). The action was inadvertently published as a Direct final rule, confirmation of effective date when it should have been published as a final rule. It is replaced with a final rule. This rule establishes a Class E surface area at Monett, MO. It also modifies the Class E airspace area

extending upward from 700 feet above the surface at Monett, MO.

The effect of this rule is to provide appropriate controlled Class E airspace for aircraft departing from and executing instrument approach procedures to Monett Municipal Airport and to segregate aircraft using instrument approach procedures in instrument conditions from aircraft operating in visual conditions.

DATES: *Effective Date:* 0901 UTC, July 7, 2005.

FOR FURTHER INFORMATION CONTACT:

Brenda Mumper, Air Traffic Division, Airspace Branch, ACE-520A, DOT Regional Headquarters Building, Federal Aviation Administration, 901 Locust, Kansas City, MO 64106; telephone: (816) 329-2524.

SUPPLEMENTARY INFORMATION:

History

On Thursday, March 7, 2005, the FAA proposed to amend 14 CFR part 71 to establish a Class E surface area and to modify other Class E airspace at Monett, MO (70 FR 10917). The proposal was to establish a Class E surface area at Monett, MO. It was also to modify the Class E5 airspace area to bring it into compliance with FAA directives. Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received.

The Rule

This amendment to Part 71 of the Federal Aviation Regulations (14 CFR Part 71) establishes Class E airspace designated as a surface area for an airport at Monett, MO. Controlled airspace extending upward from the surface of the earth is needed to contain aircraft executing instrument approach procedures to Monett Municipal Airport. Weather observations will be provided by an Automatic Weather Observing/Reporting System (AWOS) and communications will be direct with Springfield Terminal Radar Approach Control Facility.

This rule also revises the Class E airspace area extending upward from 700 feet above the surface at Monett, MO. An examination of this Class E airspace area for Monett, MO revealed noncompliance with FAA directives. This corrects identified discrepancies by increasing the area from a 6.5-mile to a 7.5-mile radius of Monett Municipal Airport, eliminating the extension to the airspace area, correcting errors in the Monett Municipal Airport airport reference point and defining airspace of

appropriate dimensions to protect aircraft departing and executing instrument approach procedures to Monett Municipal Airport. The airspace area is brought into compliance with FAA directives. Both areas will be depicted on appropriate aeronautical charts.

Class E airspace areas designated as surface areas are published in Paragraph 6002 of FAA Order 7400.9M, Airspace Designations and Reporting Points, dated August 30, 2004, and effective September 16, 2004, which is incorporated by reference in 14 CFR 71.1. Class E airspace areas extending upward from 700 feet or more above the surface of the earth are published in Paragraph 6005 of the same Order. The Class E airspace designations listed in this document will be published subsequently in the Order.

The FAA has determined that this regulation only involves as established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation—(1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority since it contains aircraft executing instrument approach procedures to Monett Municipal Airport.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (Air).

Adoption of the Amendment

■ In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D, AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9M, dated August 30, 2004, and effective September 16, 2004, is amended as follows:

Paragraph 6002 Class E Airspace Designated as Surface Areas.

* * * * *

ACE MO E2 Monett, MO

Monett Municipal Airport, MO
(Lat. 36°54'22" N., long. 94°00'46" W.)

Within a 4.5-mile radius of Monett Municipal Airport.

* * * * *

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

* * * * *

ACE MO E5 Monett, MO

Monett Municipal Airport, MO
(Lat. 36°54'22" N., long. 94°00'46" W.)

That airspace extending upward from 700 feet above the surface within a 7.5-mile radius of Monett Municipal Airport.

* * * * *

[Docket No. FAA–2005–20575; Airspace Docket No. 05–ACE–12]

Modification of Class E Airspace; Washington, KS

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; confirmation of effective date.

SUMMARY: This document confirms the effective date of the direct final rule

which revises Class E airspace at Washington, KS.

DATES: *Effective Date:* 0901 UTC, July 7, 2005.

FOR FURTHER INFORMATION CONTACT:

Brenda Mumper, Air Traffic Division, Airspace Branch, ACE–520A, DOT Regional Headquarters Building, Federal Aviation Administration, 901 Locust, Kansas City, MO 64106; telephone: (816) 329–2524.

SUPPLEMENTARY INFORMATION: The FAA published this direct final rule with a request for comments in the **Federal Register** on April 11, 2005 (70 FR 18296). The FAA uses the direct final rulemaking procedure for a non-controversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised the public that no adverse comments were anticipated, and that unless a written adverse comment, or a written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on July 7, 2005. No adverse comments were received, and thus this notice confirms that this direct final rule will become effective on that date.

Issued in Kansas City, MO, on May 12, 2005.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA–2005–21141; Airspace Docket No. 05–AEA–11]

Amendment of Class E Airspace; Brunswick, ME

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; request for comments.

SUMMARY: This action amends the Class E airspace area at Brunswick Naval Air Station (NAS), ME. This action is prompted by the relocation of the Brunswick Navy TACAN navigational aid. Portions of the designated airspace were described using the TACAN radials and distances. This action describes the airspace using the Airport Reference Point (ARP) as the sole point of origin instead of the airport and TACAN.

DATES: Effective 0901 UTC, September 1, 2005.

Comments for inclusion in the Rules Docket must be received on or before June 24, 2005.

ADDRESSES: Send comments on the rule to the Docket Management System, U.S. Department of Transportation, Room Plaza 401, 400 Seventh Street, SW., Washington, DC 20590–0001. You must identify the docket number, FAA–2005–21141/Airspace Docket No. 05–AEA–11, at the beginning of your comments. You may also submit comments on the Internet at <http://dms.dot.gov>. You may review the public docket containing the proposal, any comments received, and any final disposition in person at the Dockets Office between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Docket Office (telephone 1–800–647–5527) is located on the plaza level of the Department of Transportation NASSIF Building at the street address stated above.

An informal docket may also be examined during normal business hours at the Office of the Area Director, Eastern Terminal Operations, Federal Aviation Administration, 1 Aviation Plaza, Jamaica, NY 11434–4809; telephone (718) 553–4501; fax (718) 995–5691.

FOR FURTHER INFORMATION CONTACT: Mr. Francis T. Jordan, Airspace Specialist, Airspace and Operations, ETSU, 1 Aviation Plaza, Jamaica, NY 11434–4809; telephone (718) 553–4521; fax (718) 995–5693.

SUPPLEMENTARY INFORMATION: The FAA is revising the Class E airspace at Brunswick, ME from one based on the Brunswick TACAN and airport locations to one based solely on airport locations. The FAA uses the Brunswick, ME E–5 airspace to accommodate aircraft using standard instrument approach procedures (SIAPs) to Brunswick NAS and Wiscasset Airport under Instrument Flight Rules (IFR). The current definition of the airspace area uses the Brunswick Navy TACAN as a reference point. Since the United States Navy is changing the location of the TACAN, the airspace description must be changed to reference only the Airport Reference Point (ARP) for Brunswick NAS and Wiscasset Airport. This change will not result in any changes in the size of the Brunswick E–5 controlled airspace area. Class E airspace designations for airspace areas extending upward from 700 feet above the surface are published in paragraph 6005 of FAA Order 7400.9M, dated August 30, 2004, and effective September 16, 2004, which is incorporated by reference in 14 CFR
