The intended effect is to make eligible applicants, including public and private nonprofit organizations and State and local governments, aware of the new list of designated counties, which was based on the 2000 census data.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104-4, establishes requirements for Federal agencies to assess the effects of their regulatory actions on State, local and tribal governments, and the private sector. Under section 202 of the UMRA, the agency generally must prepare a written statement, including a cost benefit analysis, for proposed and final rules with “Final mandates” that may result in expenditures to State, local, or tribal governments, in the aggregate, or to the private sector, of \$100 million or more in any one year. When such a statement is needed for a rule, section 205 of the UMRA generally requires the agency to identify and consider a reasonable number of regulatory alternatives and adopt the least burdensome alternative that achieves the objectives of the rule.

This rule contains no Federal mandates (under the regulatory provisions of Title II of the UMRA) for State, local and tribal governments, or the private sector. Thus, today’s rule is not subject to the requirements of sections 202 and 205 of the UMRA.

Environment Impact Statement

This action has been reviewed in accordance with 7 CFR part 1940, subpart G, “Environmental Program.”

The Agency has determined that this action does not constitute a major Federal action significantly affecting the quality of the human environment and in accordance with the National Environmental Policy Act of 1969, Public Law 91-190, an Environmental Impact Statement is not required.

Discussion

Based on the 2000 U.S. Census data and applicable criteria for 7 CFR part 1944, subpart B, twenty-four States have designated counties eligible for HAPG funds. This list must be used for any grants processed in Fiscal Year 2005, and until receipt of the 2010 U.S. Census data. Exhibit D of 7 CFR part 1944, subpart B is revised to update this information. To apply for assistance under this program or for more information, contact the Rural Development Office for your area or the individual shown in the **FOR MORE INFORMATION CONTACT** section of the preamble this notice.

Seven States have been completely removed from the original twenty-nine listed in Exhibit D (Kentucky, North Carolina, Ohio, South Carolina, Tennessee, Virginia and West Virginia) and one State (Nebraska) has been added. In addition, some of the designated counties are no longer eligible and have been removed and new ones have been added. Therefore, Exhibit D of 7 CFR part 1944, subpart B is revised to list the current designated counties.
