SUPPLEMENTARY INFORMATION: Section 4(j) of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws it administers, and, to the extent feasible, to select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission conduct a public hearing and provide an opportunity for the submission of comments.

The Office of Management and Budget requires all Federal agencies to submit their budget requests 13 months before the beginning of each fiscal year. The Commission is formulating its budget request for fiscal year 2007, which begins on October 1, 2006. Accordingly, the Commission will conduct a public hearing on June 21, 2005 to receive comments from the public concerning its agenda and priorities for fiscal year 2007. The Commissioners desire to obtain the views of a wide range of interested persons including consumers; manufacturers, importers, distributors, and retailers of consumer products; members of the academic community; consumer advocates; and health and safety officers of state and local governments.

The Commission is charged by Congress with protecting the public from unreasonable risks of injury associated with consumer products. The Commission administers and enforces the Consumer Product Safety Act (15 U.S.C. 2051 *et seq.*); the Federal Hazardous Substances Act (15 U.S.C. 1261 *et seq.*); the Flammable Fabrics Act (15 U.S.C. 1191 *et seq.*); the Poison Prevention Packaging Act (15 U.S.C. 1471 *et seq.*); and the Refrigerator Safety Act (15 U.S.C. 1211 *et seq.*). Standards and regulations issued under provisions of those statutes are codified in the Code of Federal Regulations, title 16, chapter II.

While the Commission has broad jurisdiction over products used by consumers, its staff and budget are limited. Section 4(j) of the CPSA directs

the Commission to establish an agenda for action each fiscal year and, if feasible, to select from that agenda some of those projects for priority attention.

Persons who desire to make oral presentations at the hearing on June 21, 2005, should e-mail, call or write Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, e-mail rhammond@cpsc.gov, telephone (301) 504-6833, facsimile (301) 504-0127 not later than June 14, 2005. Presentations should be limited to approximately ten minutes.

Persons desiring to make presentations must submit the text of their presentations to the Office of the Secretary not later than June 14, 2005. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 10 a.m. on June 21, 2005 and will conclude the same day. Written comments on the Commission's agenda and priorities for fiscal year 2007, should be received in the Office of the Secretary not later than June 14, 2005.
