INTERNATIONAL TRADE COMMISSION

[Inv. No. 337–TA–511]

In the Matter of Certain Pet Food Treats; Issuance of a Limited Exclusion Order Against a Respondent Found in Default; Termination of Investigation

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has issued a limited exclusion order against a respondent found in default in the above-captioned investigation and has terminated the investigation.

On April 13, 2005, the Commission issued a notice indicating (1) that it had determined not to review the ALJ’s ID granting the Commission investigative attorney’s (“IA”) motion for summary determination of no violation because of noninfringement of the ‘866 patent by Pet Center, Inc., and (2) that it was terminating the investigation as to the last respondent, Pet Center. 70 FR 20596 (April 20, 2005). The Commission also requested briefing on the issues of remedy, the public interest, and bonding relating to the default finding of unlawful importation and sale of infringing products by TsingTao China. Id. The IA submitted his brief on remedy, the public interest, and bonding and his proposed order on April 25, 2005. The respondents did not submit a brief or a proposed order and the respondent did not file a reply submission.

The Commission found that each of the statutory requirements of section 337(g)(1)(A)–(E), 19 U.S.C. 1337(g)(1)(A)–(E), has been met with respect to defaulting respondent TsingTao China. Accordingly, pursuant to section 337(g)(1), 19 U.S.C. 1337(g)(1), and Commission rule 210.16(c) 19 CFR 210.16(c), the Commission presumed the facts alleged in the amended complaint to be true. The Commission determined that the appropriate form of relief in this investigation is a limited exclusion order prohibiting the unlicensed entry of pet food treats covered by the ‘866 patent that are manufactured abroad by or on behalf of, or imported by or on behalf of, TsingTao China or any of its affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns. The Commission further determined that the public interest factors enumerated in section 337(g)(1), 19 U.S.C. 1337(g)(1), do not preclude issuance of the limited exclusion order. Finally, the Commission determined that the amount of bond to permit temporary importation during the Presidential review period shall be in the amount of 100 percent of the entered value of the infringing imported pet food treats. The Commission’s order was delivered to the President on the day of its issuance.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.16(c) of the Commission’s Rules of Practice and Procedure (19 CFR 210.16(c)).

Issued: June 1, 2005.
