Description: The State Performance Report is the Corporation's first comprehensive effort at presenting disaggregated performance data by state and program. The AmeriCorps Member Activity Collection Form will use email and telephone correspondence to solicit information annually from State Service Commissions about the programs in their portfolio, including competitive, formula, and commission Education Award Only Programs.

The purpose of this request is to seek approval for a new information collection for the annual State Performance Report using the AmeriCorps Member Activity Collection Form. The Corporation will use the information collected in the AmeriCorps Member Activity Collection Form to identify where AmeriCorps members are serving specifically, including the site address and zip code and in what capacity they are serving. This information is currently not required of our grantees to report to us, and is not available in our data systems. Collecting this information on an annual basis will allow the Corporation to assess how community needs are being met on a more comprehensive level and conduct more sophisticated policy analysis.
