

ACTION: Notice; correction.

SUMMARY: The Defense Base Closure and Realignment Commission published a document in the **Federal Register** of June 7, 2005, concerning receiving comments from Federal, state and local government representatives and the general public on base realignment and closure actions in Alaska that have been recommended by the Department of Defense (DoD). The location for this meeting has changed. The delay of this notice of change resulted from recent requests by community representatives to move the regional hearing to a location commonly used for community public events and the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission. The Commission requests that the public consult the Defense Base Closure and Realignment Commission Web site, <http://www.brac.gov>, for updates.
