ACTION: Notice.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), EPA's Office of Pollution Prevention and Toxics (OPPT) is giving notice that it intends to establish a new System of

Records (SOR) under the Federal Lead-Based Paint Program. This system of records (LPSOR), comprising information stored in both electronic and hard paper formats, contains information on individuals who have applied for certification to conduct lead-based paint activities, who are students taking classes in lead-based paint activities, or who have been identified on behalf of firms which conduct or which receive accreditation to provide training in lead-based paint activities. EPA administers lead-based paint certification and accreditation programs in states, Indian tribal areas, and territories that do not have EPA authorization to administer such programs. Applicants interested in certification and accreditation must submit a complete application package and necessary fees for EPA approval.

DATES: EPA intends to implement the new System of Records on July 27, 2005.
