[Docket No. FAA-2001-9852]

High Density Airports; Notice of Extension of the Lottery Allocation and Amended Policy for Reallocation Procedures for Slot Exemptions at LaGuardia Airport

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of extension of the lottery allocation for takeoff and landing times at LaGuardia Airport and amended policy for the allocation procedures at LaGuardia Airport.

SUMMARY: The FAA is extending by fourteen months the current allocation of slot exemptions at LaGuardia Airport (LaGuardia) through December 31, 2006. This action maintains the current limit on scheduled operations at LaGuardia pending the adoption of a long-term solution for congestion management and the expiration of the High Density Traffic Airports Rule (High Density Rule) at LaGuardia on January 1, 2007. We also are amending the lottery reallocation procedures at LaGuardia in response to a petition submitted by Northwest Airlines, Inc. (Northwest). Air carriers that do not currently serve small hub/non-hub airports from LaGuardia can now participate in any reallocation of AIR-21 slot exemptions that are returned to the FAA or become available through non-use.

DATES: Effective June 27, 2005.
