To provide the public with documentation of APHIS' review and analysis of the environmental impacts and plant pest risk associated with a proposed determination of nonregulated status for the DowAgroSciences/Pioneer corn line DAS-59122-7, an EA has been prepared. The EA was prepared in accordance with (1) The National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), (2) regulations of the Council on Environmental Quality for implementing the procedural provisions of NEPA (40 CFR parts 1500-1508), (3) USDA regulations implementing NEPA (7 CFR part 1b), and (4) APHIS' NEPA Implementing Procedures (7 CFR part 372).

In accordance with § 340.6(d) of the regulations, we are publishing this notice to inform the public that APHIS will accept written comments regarding the petition for a determination of nonregulated status from interested persons for a period of 60 days from the date of this notice. We are also soliciting written comments from interested persons on the EA prepared to examine any environmental impacts of the proposed determination for the subject corn event. The petition and the EA and any comments received are available for public review, and copies of the petition and the EA are available as indicated in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

After the comment period closes, APHIS will review the data submitted by the petitioner, all written comments received during the comment period, and any other relevant information. After reviewing and evaluating the comments on the petition and the EA and other data and information, APHIS will furnish a response to the petitioner, either approving the petition in whole or in part, or denying the petition. APHIS will then publish a notice in the **Federal Register** announcing the regulatory status of the DowAgroSciences/Pioneer glyphosate-tolerant corn line DAS-59122-7 and the availability of APHIS' written decision.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Information Collection To Be Submitted to the Office of Management and Budget (OMB) for Approval Under the Paperwork Reduction Act; Initial Certification

AGENCY: Committee for Purchase from People Who are Blind or Severely Disabled.

ACTION: Notice; request for comments.

SUMMARY: The Committee for Purchase from People Who are Blind or Severely Disabled (The Committee) will submit the collections of information listed below to OMB for approval under the provisions of the Paperwork Reduction Act. This notice solicits comments on these collections of information.

DATES: Submit your written comments on the information collection on or before August 30, 2005.

ADDRESSES: Mail your comments on the requirement to Janet Yandik,

Information Management Specialist, Committee for Purchase from People Who are Blind or Severely Disabled, 1421 Jefferson Davis Highway, Jefferson Plaza 2, Suite 10800, Arlington, VA, 22202-3259; fax (703) 603-0655; or e-mail rulecomments@jwod.gov.

FOR FURTHER INFORMATION CONTACT: To request a copy of the applicable forms or explanatory material, contact Janet Yandik at information in above paragraph.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). The Committee plans to submit a request to OMB to renew its approval of the collections of information concerning initial certification of nonprofit agencies serving people who are blind or who have other severe disabilities to participate in the Javits-Wagner-O'Day (JWOD) Program. The Committee is requesting a 3-year term of approval for these information collection activities.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for these collections of information are 3037-0003 and 3037-0004.

The JWOD Act of 1971 (41 U.S.C. 46-48c) is the authorizing legislation for the JWOD Program. The JWOD Program creates jobs and training opportunities for people who are blind or who have other severe disabilities. Its primary means of doing so is by requiring Government agencies to purchase selected products and services from nonprofit agencies employing such individuals. The JWOD Program is administered by the Committee. Two national, independent organizations, National Industries for the Blind (NIB) and NISH, help State and private nonprofit agencies participate in the JWOD Program.

The implementing regulations for the JWOD Act, which are located at 41 CFR chapter 51, provide the requirements, procedures, and standards for the JWOD Program. Section 51-4.2 of the regulations sets forth the standards that a nonprofit agency must meet to qualify for participation in the JWOD Program. Under this section of the regulations, a nonprofit agency that would like to

participate in the JWOD Program must submit documentation (*e.g.*, articles of incorporation and by-laws) demonstrating its nonprofit status and a completed copy of the appropriate Initial Certification form (Committee Form 401 or 402). This documentation helps the Committee determine whether the applicant nonprofit agency is appropriate for inclusion in the JWOD Program.

This information collection renewal request seeks approval for the Committee to continue to collect the information required under 41 CFR 51-4.2 of the regulations so that the Committee can continue to verify the appropriateness of nonprofit agencies that would like to participate in the JWOD Program. There are no changes to these current collections in this renewal request.
