Need and Uses: The continuing information collection requirement is necessary for individuals to apply for enrollment in the Continued Health Care Benefit Program (CHCBP). The CHCBP is a program of temporary health care benefit coverage that is made available to eligible individuals who lose health care under the Military Health System.

Affected Public: Individuals or households.

Number of Respondents: 808.

Responses Per Respondent: 1.

Average Burden Per Response: 15 minutes.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Respondents are individuals who are or were beneficiaries of the Military Health System (MHS) and who desire to enroll in the CHCBP following their loss of entitlement to health care coverage in the MHS. These beneficiaries include the active duty service member or former service member (who for purposes of this notice shall be referred to as "service member"), an unremarried former spouse of a service member, an unmarried child of a service member who ceases to meet the requirements for being considered a dependent, and a child placed for adoption or legal custody with the service member.

In order to be eligible for health care coverage under CHCBP, an individual must first enroll in CHCBP. DD Form

As such, the need for collection information that will allow an individual to enroll in CHCBP continues and the Department of Defense is thus publishing this formal notice.
