

Under section 313(a) of the Federal Power Act, 16 U.S.C. 8251(a), a request for rehearing may be filed only by a party to the proceeding. While North Carolina DENR was an intervenor in the licensing proceedings for the Roanoke Rapids and Gaston Project, party status is not carried over to post-licensing proceedings.² Accordingly, in order for North Carolina DENR, whose water quality division was a consulted agency on the dissolved oxygen monitoring plan, to be a party to this proceeding, it must have filed a motion to intervene pursuant to Rule 214 of the Rules of Practice and Procedure, 18 CFR 385.214, not later than 30 days after issuance of the May 17, 2005 order (June 16, 2005).³ As noted above, North Carolina DENR did not file a notice or motion to intervene and therefore, the request for rehearing is hereby rejected.

This notice constitutes final agency action. Request for rehearing by the Commission of this rejection notice must be filed within 30 days of the date of issuance of this notice, pursuant to 18 CFR 385.713.

Secretary.

KRK Energy; Notice of Issuance of Order

July 1, 2005.

KRK Energy (KRK) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for the sales of capacity and energy at market-based rates. KRK also requested waiver of various Commission regulations. In particular, KRK requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by KRK.

On June 29, 2005, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register**

Accordingly, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by KRK should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is July 29, 2005.

Absent a request to be heard in opposition by the deadline above, KRK is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of KRK, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of KRK's issuances of securities or assumptions of liability.
