Notice of Meeting

In accordance with section 10(d) of the Federal Advisory Committee Act (5 U.S.C., Appendix 2), announcement is made of a Health Care Policy and Research Special Emphasis Panel (SEP) meeting.

A Special Emphasis Panel is a group of experts in fields related to health care research who are invited by the Agency for Healthcare Research and Quality (AHRQ), and agree to be available, to conduct on an as needed basis, scientific reviews of applications for AHRQ support. Individual members of the Panel do not attend regularly-scheduled meetings and do not serve for fixed terms or a long period of time. Rather, they are asked to participate in particular review meetings which require their type of expertise.

Substantial segments of the upcoming SEP meeting listed below will be closed to the public in accordance with the Federal Advisory Committee Act, section 10(d) of 5 U.S.C., Appendix 2 and 5 U.S.C. 552b(c)(6). Fellowship grant applications will be reviewed and

discussed at this meeting. These discussions are likely to reveal personal information concerning individuals associated with the applications. This information is exempt from mandatory disclosure under the above-cited statutes.

SEP Meeting on: Fellowship applications (F31 & F32).

Date: July 11, 2005 (open on July 11 from 11 a.m. to 11:10 a.m. and closed for the remainder of the telephone conference call meeting).

Place: John M. Eisenberg Building, 540 Gaither Road, OEREP Conference Room, Rockville, Maryland 20850.

Contact Person: Anyone wishing to obtain a roster of members, agenda or minutes of the non-confidential portions of this meeting should contact Mrs. Bonnie Campbell, Committee Management Officer, Office of Extramural Research, Education and Priority Populations, AHRQ, 540 Gaither Road, Room 2038, Rockville, Maryland 20850, Telephone (301) 427-1554.

Agenda items for this meeting are subject to change as priorities dictate.

This notice is being published less than 15 days prior to the July 11 meeting, due to the time constraints of reviews and funding cycles.

Dated: June 30, 2005.

Hematologic Cancer Healthcare Provider Education Program

Announcement Type: New.

Funding Opportunity Number: AA191.

Catalog of Federal Domestic Assistance Number: 93.283.

Key Dates:

Application Deadline: August 11, 2005.

I. Funding Opportunity Description

Authority: This program is authorized under Sections 301(a) and 317(k)(2), of the Public Health Services Act, 42 U.S.C. Sections 241(a) and 247b(k)(2) as amended.

Purpose: The purpose of the program is to provide information and education among healthcare providers with respect to hematologic cancers. The successful implementation of this program will result in increased efforts to address hematologic cancer education, awareness and survivorship

among healthcare providers. This program addresses the "Healthy People 2010" focus area 3, Cancer:

Objective 3-1 Reduce the overall cancer death rate; and

Objective 3-15 Increase the proportion of cancer survivors who are living five years or longer after diagnosis.

Measurable outcomes of the program will be in alignment with the following overarching CDC health promotion objectives: To reduce the health and economic consequences of the leading causes of death and disability and ensure a long, productive, healthy life for all people.

This announcement is only for non-research activities supported by CDC/ATSDR. If research is proposed, the application will not be reviewed. For the definition of research, please see the CDC Web site at the following Internet address: <http://www.cdc.gov/od/ads/opspoll1.htm>.

Activities

Awardee must submit a project proposal that supports activities related to the development and implementation of interactive Web-based health education and communication for health care providers on the signs, symptoms and current treatment of blood cancer.

Awardee Activities for this program are as follows:

- Develop an electronic based consultation system to provide physician-to-physician diagnostic and medical care consultation services on the signs and symptoms of all blood cancers.
- Develop a custom designed blood cancer Web site with the most up-to-date clinical content available and professional training courses developed by internal and/or external sources.
- Describe how the Web site and consultation system will provide secure communications and integrated Web-based services to physicians and other clinicians which may include integrated HIPAA-compliant secure e-mail, and online clinical consultation services.
- Describe how access will be secure and limited as appropriate to clinicians and physicians.
- Develop and implement an evaluation plan and quality control measures to ensure the most accurate and timely information is provided over the Web site and consultation system.
