**SUPPLEMENTARY INFORMATION:** In 2004, as  
part of the outreach efforts on  
courthouse accessibility, the Access  
Board established a Federal advisory  
committee to advise the Access Board  
on issues related to the accessibility of  
courthouses, particularly courtrooms,  
including best practices, design  
solutions, promotion of accessible  
features, educational opportunities, and  
the gathering of information on existing  
barriers, practices, recommendations,  
and guidelines. On October 12, 2004,  
the Access Board published a notice  
appointing 31 members to the  
Courthouse Access Advisory  
Committee. 69 FR 60608 (October 12,  
2004). Members of the Committee

include designers and architects,  
disability groups, members of the  
judiciary, court administrators,  
representatives of the codes community  
and standard-setting entities,  
government agencies, and others with  
an interest in the issues to be explored.  
The Committee held its initial meeting  
on November 4 and 5, 2004. Members  
discussed the current requirements for  
accessibility, committee goals and  
objectives and the establishment of  
subcommittees. The second meeting of  
the Committee was held in February,  
2005. The Committee toured two  
courthouses and established three  
subcommittees: Education, Courtrooms  
and Courthouses (areas unique to  
courthouses other than courtrooms).  
The third meeting of the Committee was  
held in May, 2005. Members of the  
Committee toured a courthouse and  
continued work in the three  
subcommittees. Minutes of the meetings  
may be found on the Access Board's  
Web site at [http://www.access-  
board.gov/caac/index.htm](http://www.access-board.gov/caac/index.htm). At the  
August meeting of the Committee,  
members will continue to address issues  
both as a full Committee and in  
subcommittees.

Committee meetings are open to the  
public and interested persons can attend  
the meetings and communicate their  
views. Members of the public will have  
an opportunity to address the  
Committee on issues of interest to them  
and the Committee during public  
comment periods scheduled on each  
day of the meeting. Members of groups  
or individuals who are not members of  
the Committee are invited to participate  
on the subcommittees. The Access  
Board believes that participation of this  
kind can be very valuable for the  
advisory committee process.

The meeting will be held at a site  
accessible to individuals with  
disabilities. Real-time captioning will be  
provided. Individuals who require sign  
language interpreters should contact  
Elizabeth Stewart by July 21, 2005.  
Notices of future meetings will be  
published in the **Federal Register**.
