AGENCY: Fish and Wildlife Service, Department of the Interior.

ACTION: Notice of intent to prepare a Comprehensive Conservation Plan and Environmental Assessment for Upper Ouachita National Wildlife Refuge in Union and Morehouse Parishes, Louisiana.

SUMMARY: This notice advises the public that the fish and Wildlife Service, Southeast Region, intends to gather information necessary to prepare a Comprehensive Conservation Plan and Environmental Assessment for Upper Ouachita National Wildlife Refuge, pursuant to the National Environmental Policy Act and its implementing regulations.

The National Wildlife Refuge System Administration Act of 1966, as amended by the National Wildlife Refuge System Improvement Act of 1997, requires the Service to develop a comprehensive conservation plan for each national wildlife refuge. The purpose in developing a comprehensive conservation plan is to provide refuge managers with a 15-year strategy for achieving refuge purposes and contributing toward the mission of the National Wildlife Refuge System, consistent with sound principles of fish and wildlife management, conservation, legal mandates, and Service policies. In addition to outlining broad management direction on conserving wildlife and their habitats, plans identify wildlife-dependent recreational opportunities available to the public, including opportunities for hunting, fishing, wildlife observation, wildlife photography, and environmental education and interpretation.

The purpose of this notice is to achieve the following:

1. Advise other agencies and the public of our intentions, and
2. Obtain suggestions and information on the scope of issues to include in the environmental document.

DATES: An open house style meeting will be held during the scoping phase and public draft phase of the comprehensive conservation plan development process. Special mailings, newspaper articles, and other media announcements will be used to inform the public and state and local government agencies of the dates and opportunities for input throughout the planning process.

ADDRESSES: Comments and requests for more information regarding Upper Ouachita National Wildlife Refuge's planning process should be sent to Lindy Garner, Planning Biologist, North Louisiana National Wildlife Refuge Complex, 11372 Highway 143, Farmerville, Louisiana 71241; Telephone: (318) 726-4222; Fax: (318) 726-4667; Electronic-mail: northlarefuges@fws.gov. To ensure consideration, written comments must be received no later than August 29, 2005. Our practice is to make comments, including names and addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home addresses from the record, which we will honor to the extent allowable by law.
