[Docket No. NHTSA 05-21878]

Federal Motor Vehicle Safety Standards; Occupant Crash Protection

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Interim final rule; request for comments.

SUMMARY: Our requirements for advanced air bags are being phased in during two stages, the first of which extends over a three-year period from September 1, 2003 to August 31, 2006. The phase-in provides special requirements for limited line manufacturers. These manufacturers are excluded from the first two years of the phase-in but must achieve 100 percent compliance for the third year, *i.e.*, the production year beginning September 1, 2005. To address problems faced by Porsche, we are issuing this interim final rule revising the phase-in for limited line manufacturers so that 95 percent of a manufacturer's vehicles must comply with the advanced air bag requirements during this one-year period instead of 100 percent.
