I. Funding Opportunity Description

Priority Area 1. Description

The Job Opportunities for Low-Income Individuals (JOLI) Program is authorized under Section 505 of the Family Support Act of 1988, Public Law 100-485, as amended by Section 112 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 Public Law, 104-193, as amended. A. Program Purpose, Scope, and Focus

The purpose of the JOLI program is to provide technical and financial assistance to private employers in the community to assist them in creating employment and business opportunities for individuals receiving Temporary Assistance for Needy Families (TANF) and for other low-income individuals. Projects focus on one of three program strategies: self-employment/ micro-enterprise, new business ventures, and business expansion. Priority will be given to applicants proposing to serve those areas containing the highest percentage of individuals receiving TANF under a State program, which is funded under Part A of Title IV of the Social Security Act and individuals whose income level does not exceed 100 percent of the official poverty line. Annual revisions of these poverty guidelines are normally published in the **Federal Register** in February or early March. Grantees will be required to apply the most recent guidelines throughout the project period. These revised guidelines also may be obtained at public libraries; Congressional offices;
