**Abstract:** The authority for this information collection is contained in 36 CFR 1228.168(b). In accordance with rules issued by the Department of Defense (DOD) and Department of Homeland Security (DHS, U.S. Coast Guard), the National Personnel Records Center (NPRC) of the National Archives and Records Administration (NARA) administers military service records of veterans after discharge, retirement, and death. When veterans and other authorized individuals request information from or copies of documents in military service records, they must provide in forms or in letters certain information about the veteran and the nature of the request. Federal agencies, military departments, veterans, veterans' organizations, and the general public use Standard Forms (SF) 180, Request Pertaining to Military Records, in order to obtain information from military service records stored at NPRC. Veterans and next-of-kin of deceased veterans can also use eVetRecs ([http://www.archives.gov/research\\_room/vetrecs/](http://www.archives.gov/research_room/vetrecs/)) to order copies.

## OFFICE OF PERSONNEL MANAGEMENT

### Submission for OMB Review; Comment Request for the Elimination of OPM Optional Form 510, Applying for a Federal Job; the Revision of OPM Optional Form 612, Optional Application for Federal Employment; the Resume Builder in the USAJOBS Web Site; and the USAJOBS Web Site

**AGENCY:** Office of Personnel Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for the elimination of the optional form (OF) called Applying for a Federal Job (OF 510), the revision of the optional form called Optional Application for Federal Employment (OF 612), the specifications of the improved resume builder in the USAJOBS Web site (<http://www.USAJOBS.gov>), and screen shots of the web pages within the USAJOBS Web site.

OPM proposes eliminating the OF 510. The OF 510 is a brochure that has been used to provide guidance to the general public on how to apply for Federal jobs and how to construct a Federal resume (i.e., what necessary work, education, and other information applicants should include in their resumes or other applications). However, the same instructions contained in the OF 510 have been incorporated into the revised OF 612 and the USAJOBS resume builder. The instructions are also available through numerous other sources, including the USAJOBS Web site, that were not available at the time this brochure was

originally created. This proposed action will eliminate the need to print, maintain, and distribute an instructional guide in hard copy format now that the information can be readily updated and delivered by leveraging current web and other automated technology.

The OF 612 is a form used to collect applicant qualifications information associated with vacancy announcements. The form provides necessary guidance to applicants so that they can be considered for employment when applying for Federal jobs. Presently the OF 612 is downloadable from OPM's electronic forms page on the USAJOBS Web site (<http://www.opm.gov/forms>) in fillable pdf format. The data collected are necessary for Federal agencies to evaluate applicants for Federal jobs under the authority of sections 1104, 1302, 3301, 3304, 3320, 3361, 3393, and 3394 of title 5, United States Code.

OPM has reconstructed the resume builder in the USAJOBS Web site to be in line with the data elements collected in the revised OF 612. The resume builder contains the critical elements applied across the Federal government to assess an applicant's qualifications as required under the aforementioned sections of 5 United States Code.

The OF 612 and the resume builder in the USAJOBS Web site contain questions regarding the applicant's education history, including dates of attendance, name, type and place of institution, and degrees earned. Due to the increasing number of claimed degrees earned from non-accredited or bogus institutions, commonly referred to as "diploma mills," the revised OF 612 and the USAJOBS resume ask applicants to list only degrees from schools that were accredited by accrediting institutions recognized by the U.S. Department of Education or other education that meets the provisions of OPM's Operating Manual at [www.opm.gov/qualifications/SEC-II/s2-e4.htm](http://www.opm.gov/qualifications/SEC-II/s2-e4.htm). The revised OF 612 and resume builder also advise applicants not to list education from degrees based solely on life experiences, or obtained from schools with little or no academic standards.

The USAJOBS Web site is the Federal Government's official one-stop source for Federal jobs and employment information. USAJOBS is operated by OPM and provides job vacancy information, employment fact sheets, job applications/forms, and on-line resume development. Job seekers may create a "My USAJOBS" account where they can create up to five resumes. These resumes are stored in one
