II. Introduction

Section 4(i)(5) of FIFRA as amended in October 1988 (Public Law 100-532), December 1991 (Public Law 102-237), and again in August 1996 (Public Law 104-170), requires that all pesticide registrants pay an annual registration maintenance fee, due by January 15 of each year, to keep their registrations in effect. This requirement applies to all registrations granted under section 3 as well as those granted under section 24(c) to meet special local needs. Registrations for which the fee is not paid are subject to cancellation by order and without a hearing.

The Food, Agriculture, Conservation, and Trade Act Amendments of 1991, Public Law 102-237, amended FIFRA to allow the Administrator to reduce or waive maintenance fees for minor agricultural use pesticides when he determines that the fee would be likely to cause significant impact on the availability of the pesticide for the use. The Agency has waived the fee for 157 minor agricultural use registrations at the request of the registrants.

In fiscal year 2005, maintenance fees were collected in one billing cycle. The Pesticide Registration Improvement Act (PRIA) was passed by Congress in January 2004. PRIA became effective in March 2004 and authorized the Agency to collect \$27 million in maintenance fees in fiscal year 2005. In late December 2004, all holders of either
