

permits for interstate movement of animals.

The information obtained from these activities is used to find infected herds and ensure that brucellosis is not spread interstate from infected herds. These information collection activities are essential in determining the brucellosis status of an area and helping herd owners by allowing the timely detection and elimination of a serious disease.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; e.g., permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 0.033519373 hours per response.

Respondents: Accredited veterinarians, State animal health authorities, livestock inspectors, herd owners, and owners/operators of livestock markets.

Estimated annual number of respondents: 7,382.

Estimated annual number of responses per respondent: 71.455703.

Estimated annual number of responses: 527,486.

Estimated total annual burden on respondents: 17,681 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the average reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 1st day of August 2005.

Elizabeth E. Gaston,

Acting Administrator, Animal and Plant Health Inspection Service.

Forest Service

Intergovernmental Advisory Committee Meeting, Northwest Forest Plan

AGENCY: Forest Service, USDA.

ACTION: Notice of meeting.

SUMMARY: The Intergovernmental Advisory Committee (IAC), Northwest Forest Plan (NWFP), has scheduled an educational field trip on August 17, 2005, from 8 a.m. to 5 p.m. in Yreka, California. The purpose of the field trip is to have the committee learn more about fire-prone systems and how they affect local communities. The IAC will be given an update on the work of the Regional Interagency Executive Committee (RIEC) Fire-Prone Systems subcommittee, as well as other RIEC subcommittee efforts. These topics are based on key findings and trends from the April 19-20, 2005, Science and the Northwest Forest Plan, Knowledge Gained Over a Decade conference and advice received from the IAC on April 21, 2005.

Due to travel limitations, the field trip is open to committee members only. Written comments may be submitted for the meeting record.

FOR FURTHER INFORMATION CONTACT: Questions regarding this meeting may be directed to Kath Collier, Management Analyst, Regional Ecosystem Office, 333 SW. First Avenue, PO Box 3623, Portland, OR 97208 (telephone: 503-808-2165).

Dated: July 15, 2005.

National Agricultural Statistics Service

Notice of Intent To Seek Approval To Revise and Extend a Currently Approved Information Collection

AGENCY: National Agricultural Statistics Service, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13) and Office of Management and Budget regulations at 5 CFR part 1320 (60 FR 44978, August 29, 1995), this notice announces the intention of the National Agricultural Statistics Service (NASS) to seek approval to revise and extend a currently approved information collection, the List Sampling Frame Surveys.

DATES: Comments on this notice must be received by October 11, 2005, to be assured of consideration.

ADDRESSES: Comments may be mailed to Ginny McBride, NASS Clearance Officer, U.S. Department of Agriculture, Room 5336 South Building, 1400 Independence Avenue, SW., Washington, DC 20250 or sent electronically to gmcbride@nass.usda.gov.

FOR FURTHER INFORMATION CONTACT: Carol House, Associate Administrator, National Agricultural Statistics Service, U.S. Department of Agriculture, (202) 720-4333.

SUPPLEMENTARY INFORMATION:

Title: List Sampling Frame Surveys.

OMB Control Number: 0535-0140.

Expiration Date of Approval: April 30, 2006.

Type of Request: Intent to revise and extend a currently approved information collection.

Abstract: The primary objectives of the National Agricultural Statistics Service are to prepare and issue State and national estimates of crop production, livestock production, economic statistics, and environmental statistics related to agriculture and also to conduct the Census of Agriculture. The List Sampling Frame Surveys are used to develop and maintain as complete a list as possible of farm operations. The goal is to produce for each State a relatively complete, current, and unduplicated list of names for statistical sampling for agricultural operation surveys and the Census of Agriculture. Information from these agricultural surveys is used by government agencies and educational institutions in planning, farm policy analysis, and program administration.
